

A. O. Smith Plant Here Closed By Dispute

Boilermakers Local 575 Meets Today; Dispute Over Shifts And Pay

Meeting this afternoon at the Labor Temple, 1200 A. O. Smith Corp. workers, members of Boilermakers Local 575, voted approval of picketing the plant which began at 11 a.m. yesterday in a dispute over suspension of 10 men. Carl Archer, union president, said the membership terms the action a lockout and will for the company to call a meeting.

N. R. Brink, plant manager, shortly before noon today issued a statement in a letter to plant employees. He stressed that the walkout has "endangered our position as a reliable supplier."

Archer was in St. Louis this morning and filed an "unfair labor practices" complaint against the company with the National Labor Relations Board. Pickets began appearing at the plant's three gates yesterday following the suspension Saturday night of 10 union members, most of them power truck operators.

Plant Closed Down
The walkout has closed down the 1500-employee auto frame manufacturing plant. While the union contends the company staged a lockout, officials of the company say today the walkout was illegal and the difficulty could have been resolved through regular grievance procedures. They say the company-union agreement has been violated.

The key issue, a company spokesman said, was the scheduling of 12 hours of overtime shift Saturday. The union said the 10 men advised the company on Friday that they would work only eight hours.

When they finished the eight hours at 3 p.m. Saturday, they walked out. Later that night, a union spokesman said, the 10 men were advised by telegram that they had been suspended.

Receiving the telegrams were Flare Warfield, John Molinar, Herman Gah, Henry Bath, Frank Serrano, John Stein, Ray Burcham, John Burns, Bobby Edwards and Andrew Tanks.

They were seeking time-and-a-half for the eight hours work and double time for the next four hours, which the union contends would be a seventh shift.

Plant Manager Brink in his letter to employees said today the company has agreed to retain the 10 suspended men on the payroll, but not on their jobs until hearings are concluded.

Youth Wounded In Hunting Mishap Loses Right Eye

Emergency surgery for removal of his right eye was performed Saturday at St. Luke's Hospital, St. Louis, for 17-year-old Talmage Hillman, who was wounded accidentally in a hunting mishap near Maryville last Monday morning.

The youth, son of Mr. and Mrs. Howard Hillman, 1932 Russell street, is reported to be recuperating.

He was struck by 29 pellets, one of which pierced his eyeball and another went through his nose. Other pellets hit in his face, neck, left side and arm.

Hillman, who was graduated from high school last June, was wounded when a companion tripped while turning to shoot a rabbit. The companion, Ralph C. Jacobs, 18, of 2022 Sheridan avenue, dropped his gun and rushed the wounded youth to the local hospital.

The wounded youth's father is a machinist at General Steel Industries.

Self Government Issue Cited In Village Election

Favorable votes for incorporation of a village at Ponton Beach next Saturday were urged by Willard Hicks, chairman, and others attending a meeting Saturday afternoon at the recreation hall adjacent to the Long Lake fire station.

Hicks, who predicted that incorporation will be approved, said the major issue is "self government" and that the alternative is eventual annexation by Granite City, which he noted has gradually been extending its seaward boundary.

He and others in the gathering of 20 persons criticized the government and said it would be more costly for Ponton families to be a part of the city than to have their own government, operated by themselves and their neighbors.

State Commissioners with taxes of other municipalities were discussed at the meeting.

The "Salvation Army 'Tree of Lights'" drive started Saturday afternoon with donations turning on 43 lights and totaling \$1090, or nearly 25% of the \$4500 goal. With attainment of the goal, food baskets will be distributed to hundreds of Quad-Cities.

Way Clear For Bi-State Transit Purchase

Negotiations Completed For 13 Of Remaining Area Transit Companies

Negotiations to purchase 13 privately-owned transit lines in the Illinois-Missouri metropolitan area have been successfully completed, it was announced after a meeting of the Bi-State Development Agency board of commissioners Thursday.

In addition to plans for purchase of the lines, which cleared the way for Bi-State operation of a unified mass transit system to serve the entire area, a proposal was accepted under which key officials of the present St. Louis Public Service Co. will operate the unified system.

Leo Fisher, chairman of the Bi-State commissioners, said the approximate price to be paid for the 13 existing transit companies is \$3,730,750. Purchase of the St. Louis Public Service Co. for \$19,450,000 had been agreed upon previously. Included in Thursday's agreement is the Community Coach Co. of Granite City.

Fisher said the action clears the way for acquisition of 14 of the 15 separate transit firms now serving the metropolitan area. Studies made at the outset of the plan indicated this can be done.

Acquisition of the one small transit line with which purchase agreement has not been reached would not be necessary for operation of an integrated system, Fisher said. The remaining firm is V-K Bus Lines, which operates service near Jefferson Barracks.

Press-Record Is Now ABC Member; 16,313 Net Paid

The Press-Record has been accepted into full membership in the Audit Bureau of Circulation, it was announced today by C. E. Townsend, editor and publisher.

"This is another step in the continued efforts of the Press-Record management and staff to provide the Quad-Cities with the most modern and progressive newspaper that it is possible to produce," he said.

The Audit Bureau of Circulation, or ABC as it is known, is a voluntary, cooperative and non-profit association of advertisers, advertising agencies and publishers. Its current membership is composed of 787 advertisers, 27 advertising agencies and 2,807 publishers.

The primary purpose of ABC is to give plain, old-fashioned circulation facts on publication matters—no opinions, no suggested statistics—just facts. Who pays for the newspaper or other publication? How many? Where do they live? How much do they pay?

All this boils down to guaranteed, paid circulation; guaranteed to the Press-Record reader; guaranteed to the Press-Record advertiser, whether local retail, national, classified or legal. For nearly 50 years, the ABC insignia has been the hallmark of circulation value, a dependable guide in the selection and use of newspapers and periodicals.

Thoroughly Audited
Application for ABC membership was made by the Press-Record last spring, but it was not until six months later, on the basis of thoroughly audited records, that approval was received. This is the customary probationary period.

A representative of ABC spent nearly a week in the Quad-Cities, checking Press-Record circulation records, watching the press runs, studying distributor deliveries, even making additional confirmation of his information with bank deposits and individual newsboy routes.

His final audit showed Press-Record average net paid circulation for the six month period ending Sept. 30 was 16,313. Net paid circulation is running in excess of 16,500, a record high.

Levee District Injunction Is Dissolved

Levee Board Ok's 3.43% Interest Bid On Bond Issue

John Naveen & Co., a Chicago bond house, was the successful low bidder and will act as sales agent for \$1,390,000 in general obligation bonds to be sold by the East Side Levee & Sanitary District. The bonds are to finance the construction of trunk sewer lines planned as a portion of the district's sanitary sewage-pollution abatement system.

Representatives of the firm submitted a low interest rate of 3.428 percent at the opening of sealed bids Thursday night at the levee district offices in East St. Louis.

The amount of interest on the bonds will total \$753,665, making a total outlay of \$2,143,665. Maturity date of the last of the bonds was established as Nov. 1, 1982.

Other Bidders
Other bidders were A. C. Allyn & Co., Chicago, 3.45301%; Boreis Kendrick Co., Chicago, 3.463%; and Harriman Ripley & Co., Chicago, 3.50974%.

Representatives of the four bonding houses present said the improvement bonds were being offered on a "favorable market."

The levee district trustees adopted a bond ordinance following the checking of all bid figures, then approved the issuance of the bonds, a step which will depend upon the outcome of a continued hearing in Edwardsville circuit court today on a temporary restraining order granted Thursday afternoon which prevents issuance of the bonds.

While the major portion of the proposed bond issue is earmarked for the construction of trunk sewer lines in the Cahokia vicinity, smaller portions will be used to construct an extension to the present Rosemont sewer line, to install an automatic surveillance system and to pay for sludge gate modifications at the south pumping station in Cahokia.

Mitchell Boy Burned; Vehicle Falls On Man
David Robertson, seven-year-old son of Mr. and Mrs. Claude Robertson of 612 East Chain-of-Rockers road, Mitchell, is a patient at St. Elizabeth Hospital with first, second and third degree burns to his right leg received when his clothing caught fire Saturday afternoon.

Mr. Robertson said his son and other neighborhood children were playing in a "chubhouse" and had an open fire. The boy had spilled some oil on his pants, the father said, and they ignited.

Also treated at the hospital Saturday afternoon was John Earhart, Rural Route One, who suffered a concussion of the head and chest and right shoulder when an auto under which he was working fell.

Undergo Surgery At Local Hospital
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Raymond J. 2029 Low street; Frank Sykes, 2421 East 24th street; Michael Ritter, 2900 avenue; Maxine Smith, 1827 Grand avenue; Jumbo Bryan, 2154 Lynch avenue; Mollie Valencia, 1833 Spruce street; Zella Harris, 2916 Pershing avenue; Wanda Evanoff, Troy, Ill.

Mrs. Carrie M. Appel Succumbs At Age 81
Mrs. Carrie M. Appel, 81, of 2302A State street, died at 11:15 p.m. Sunday at St. Elizabeth Hospital after a two-year illness. She had been hospitalized two weeks.

Mrs. Appel was born at Summerfield, Ill., and had been a Granite City resident 50 years. She preceded her husband, Mr. Appel, who was a member of the Niederrhain Memorial Methodist Church.

She is survived by a daughter, Mrs. Ernest (June) Karandjeff, Granite City; three grandchildren; and one great-grandson. Mrs. Appel's husband, John, and a daughter, Mrs. Ruth Slagle, passed away last June.

Vice Raids Net Two Arrests In County

State Police, Deputies Found 3 Places; No Women Hit At End-Of-Line

Lawbreakers' tactics to "make hay" during the change-over in the sheriff's office were blocked Thursday night when the old sheriff, the new sheriff and state police joined forces.

While new Sheriff Barney Fraundorf, not then in office, did not actively take part, he was in on the planning of a three-strike vice raid staged by retiring Sheriff George Musso and State Police Capt. El Toftan.

The 9 p.m. simultaneous raids included the End Of The Line on Bend road where two men were taken into custody and later released. Also hit by the raiders were the Tattle Tale Inn north of Collinsville and the adjacent Park motel.

At the Tattle Tale, a tavern, the raiding party arrested Miss Bonnie Sattler, 21, a waitress, of Belleville, on a charge of prostitution, and a Granite Cityan, Jesse Dowdy, 31, of Kaseberg Park, the bartender, who was charged with soliciting.

They were freed on \$1000 bonds after being bound over to the grand jury.

The woman was arrested in a bedroom at the tavern where she had taken a plainclothes state trooper who had gone there earlier as a decoy. They were discussing price when the raiders arrived.

County Officers Sworn In Today At Edwardsville
Brief inauguration ceremonies were conducted at 10:30 a.m. today in the county court for newly-elected county officials taking office this morning. The ceremony was conducted by Circuit Judge Joseph Barr, left, for Sheriff Barney Fraundorf, center, and Probate Judge Austin Lewis. Ceremonies were conducted this morning at Edwardsville as county officials named in the general election last month took office.

Representatives of the firm submitted a low interest rate of 3.428 percent at the opening of sealed bids Thursday night at the levee district offices in East St. Louis.

Less Than Inch of Rain In Area Last Month
While November gave Quad-Cities three rainy weekends, the month during the month amounted to less than an inch—only .76 of an inch. Rain was recorded on 10 days increasing to 136 the number of rainy days here this year. The area's precipitation for the month was 3.28 inches, a mere .30-inch above normal.

John Sprague, attorney for the levee board, contends that the 15 local business and civic leaders are fighting to block the levee district's latest proposal for a non-referendum issue for state law projects in St. Clair county. They are stressing that the 1953 act passed and is a matter of record.

Decision Opens Way For Bond Issue; Local Group Studying Appeal

The temporary injunction against the East Side Levee & Sanitary District was dissolved at noon today by Circuit Judge James O. Monroe Jr. at Edwardsville. Appeal of the decision is being studied by attorneys for 15 local leaders who filed the suit.

In a continuation of last Thursday's hearing when he handed down the injunction to prevent the levee district from issuing \$1,390,000 in general obligation bonds, Judge Monroe said evidence on 1923 proceedings in the general assembly.

The 15 local business and civic leaders seeking the injunction based their case on the 1923 amendment to the Levee District Act.

However, Judge Monroe ruled that certified copies of the 1923 senate records showed the law, which set forth a referendum for a bond issue by the levee district, failed to receive a majority vote.

At that time there were 51 senators. Twenty-four voted for the amendment and 20 against. Atty. Randall Robertson pointed out seven refused to vote and he contends their votes should have been recorded as "ayes."

He also stressed that all officers signing the law, except Gov. Len Small, who did not vote it and did not file an objection with Secretary of State Louis Emerson. He put the amendment in the state books after senate officers declared it had passed.

In his arguments, Levee Board Atty. John Sprague today said a 1923 senate majority was 28.

Deadline 28 Days Away
But after he went into today's hearing aware of the rapidly approaching Dec. 31 deadline just 28 days away. After that date a state law will require the levee district to call a referendum to float a bond issue.

However, the temporary injunction issued last Thursday afternoon is based on a law passed in the state books in 1923 which also calls for a levee district election to issue bonds.

The 15 local business and civic leaders are fighting to block the levee district's latest proposal for a non-referendum issue for state law projects in St. Clair county. They are stressing that the 1953 act passed and is a matter of record.

Quotas Revised

United Fund Still \$9791 Short Of Campaign Goal

United Fund "task force" quotas were revised during a "Dutch treat" luncheon meeting Friday at the Rose Bowl restaurant to match the \$296,231 goal.
The quotas this year were set 10% higher for an ultimate goal of \$309,300, and revised figure is the actual total of the 17 agency budgets.
Campaign Chairman John McBride reported to the task force leaders the drive now is within \$791 of the goal and stands at 96.7% complete. The drive leaders reviewed a list of unworked prospect cards and made plans for callbacks in an effort to close the campaign as soon as possible. Plans also were started for an awards meeting for the presentation of citations and plaques. No date was set.

Judicial Amendment Ok'd By 260,000 Votes

Announcement was made Thursday by the State Electoral Board that the blue ballot judicial amendment was approved by a margin of over 260,000 votes in the Nov. 6 election.
The amendment carried with 2,167,000 "yes" votes to 1,211,000 "no" votes. Passage was based on the amendment receiving a majority of votes cast. It did not carry by a two-thirds majority, which would have been an optional method of approval. The new amendment will become effective Jan. 1, 1964.

Council Expecting Report Tonight

Granite City council members are expecting a report and recommendation from the special

emergency pollution abatement study committee at this evening's meeting at 8 o'clock.

Committee Chairman Frank Vesci said last week a recommendation on engineering firms to design a sewage treatment plant would be made at tonight's meeting. It was learned the committee plans to submit the names of two or three firms with selection to be made by the council. The recommendation will be

just one day before the State Sanitary Water Board is scheduled to hand down a decision on an anticipated order for the city to halt river pollution.

Mayor Davis told the Press-Record he plans to attend to night's meeting.

Probate Judge-elect Austin Lewis was the guest speaker. His topic was "Responsibilities of the Defense Attorney in Criminal Cases." He has been defense attorney in more than 3500 cases and served as public defender the past five years.

Eight new members were inducted into the club. They were Ray Buerd, Fred Pieper, Gordon Hoener, Ray Kangel, Charles Draper, William Harris, Walter Rozycycki and William Trebes. John Wyler, Mrs. Vera Ganschiff and Betty Ganschiff were present.

Fifty Optimists were present.

Sudden Attack Fatal To C. Dee Harlow, 42

C. Dee Harlow, 42, proprietor of the Automatic Washers and Appliance Service at 2233 Madison avenue, died at 3:45 p.m. Thursday at St. Elizabeth Hospital after a sudden heart attack.

Mrs. Harlow said her husband returned from a service call complaining of a severe chest pain. She accompanied him to a doctor's office, and the doctor advised him to go directly to the hospital. She said he arrived about 1:30 p.m.

Mr. Harlow had been in business at the Madison avenue location since last March. He had operated his own business here for three years. His home was at 2250 Wabash avenue.

Born at Fairmount, Mo., Mr. Harlow had lived in Granite City 33 years. He was a member and trustee of the Suburban Baptist Church, and belonged to Granite City Masonic Lodge 835 and the East St. Louis Scottish Rite Body. He was a veteran of world war II, receiving the bronze battle star with three clusters.

Survivors include his wife, Mary Eleanor; two daughters, Cheryl and Valerie; his mother, Mrs. Laura Fawcett of Granite City; and a brother, Lloyd Harlow of Madison.

Funeral services were conducted this afternoon at the Suburban Baptist Church. Interment was in Sunset Hill Cemetery near Edwardsville.

Mrs. Neda Petroff Dies At 73; Ill Four Days

Mrs. Neda A. Petroff, 73, of 2024 Benton street, died at 7:20 a.m. yesterday at St. Elizabeth Hospital. She had been a patient there four days with a pancreatic inflammation.

Mrs. Petroff was born in Bulgaria and was a 50-year resident of Granite City. She was a member of the Holy Trinity Bulgarian Eastern Orthodox Church and the church. Sisterhood, and belonged to the Macedonian-Bulgarian Ladies Aid Society and Podkrepa.

Survivors include her husband, Antonas, who retired from the open hearth department at General Steel Industries in 1954; two daughters, Misses Mary and Anne Petroff of Granite City; and a sister, Mrs. Vera Ganschiff of Bulgaria.

Funeral arrangements appear in the obituary column.

New Chouteau Island Tax Rate Approved

A new maximum rate of 50 cents per acre on agricultural land and \$1 per lot where structures exist has been approved for the Chouteau Island Drainage and Levee District.

The new rate was granted at the request of district commissioners by County Judge Michael Kinney. The rate will increase the total assessment to \$714, up from last year's \$688.

The commissioners said the increase is needed to allow for repairs to levee crossings, rebuilding of levees and preparations for emergency flood conditions.

players or others, file copies, press spoils, etc., are all deleted from the total press run.

The ABC audit shows the Press-Record has an amazingly high percentage of circulation saturation in the Quad-Cities area. For example, the Press-Record goes into 11,872 out of 12,078 occupied housing units in Granite City, or nearly 99% of all homes.

While no housing unit figures are available for Madison, Mitchell and Pontoon Beach, on the basis of 3.5 persons per family, the Press-Record enjoys an equally high percentage of coverage in those areas, with a slightly lower saturation percentage in Venice, where also the number of occupied housing units is not available.

Few newspapers in the United States blanket their areas of coverage to as high a degree, attesting to the constant efforts of the Press-Record staff to produce a newspaper that meets the varied interests of its readers.

Nearly 50 people are employed in producing the Press-Record, including a news staff of six plus 12 correspondents, and 120 newsboys provide home delivery in addition to approximately 100 other circulation outlets.

A new and larger office to serve the public currently is under construction at the Press-Record and should be ready for occupancy next April 1.

Brother Of George H. Winter Dies Suddenly

August, Winter, Hutchinson, Kan., brother of George H. Winter of Granite City, died suddenly of a heart attack at 4 p.m. Sunday while he and his wife were visiting in California.

Mr. Winter, who visited his brother here in September, was a retired barber, having operated a shop in Hutchinson for many years. He was 52 years old.

Five Divorces Granted In City Court Here

Five divorces were granted Saturday in city court before judges Fred P. Schuman and I. H. Streeter.

Jacquelyn Smith, charging cruelty, was divorced from William Smith. The plaintiff's maiden name of Wiseman was restored by the court. They were married April 16, 1960, and separated last Nov. 27.

A final decree was submitted in a hearing on Sept. 15 granting a divorce to Dixie Darlean Reed from Theodore Lee Reed, married Aug. 20, 1960, the couple separated last Aug. 12. The plaintiff charged cruelty and was granted custody of a minor child.

Cecil H. Whitley was granted a divorce from Nadine Whitley Saturday on the grounds of desertion. Custody of a minor child is to be decided by the court.

They were married Feb. 18, 1956, and separated in July 1957. Charges of habitual drunkenness, Juanita Pfeiffer was granted a divorce from Bernard Pfeiffer on Thursday, with the final decree submitted Saturday. The couple was married Jan. 17, 1950 and separated last July 7. She was given custody of three minor children.

Elizabeth Muskin was divorced from Donald Muskin on the grounds of cruelty. The plaintiff has custody of two minor children. They were married May 1, 1959, and separated last Sept. 15.

3 Placed On Probation At Circuit Court Hearing

Three Quad-Cities residents were placed on probation varying from two to five years during hearing conducted Friday at Circuit court in Edwardsville.

James Edmonds, 19, and Wesley Ware, 18, both of Venice, were placed on five years' probation for theft, while Granite Cityan Melvin Travis, 21, convicted of possession of burglary tools, was placed on probation for two years.

Way Clear For Bi-State

(Continued from Page 1.)

management officials to operate the new unified system for a fixed fee of less than one percent of the estimated gross annual revenue. The management officials, operating as the Transit Services Corp., would provide all other personnel, supervision and services necessary.

Payment asked by Transit Service Corp. is \$230,000, or less than one percent of the \$25-million estimated gross revenue of the unified transit system. The Transit Service Corp. would include 11 key personnel of the St. Louis Public Service Co.

Their offer was recommended by a committee headed by Edwin M. Clark, president of the Southwestern Bell Telephone Co. Thursday's meeting was held in Clark's office. Clark told Bi-State officials the management proposal recommended was clearly superior to other offers.

Two other management bids had been received. One would provide management firm of nine key men at a cost amounting to 1.47% of the estimated gross annual income. The other would provide eight key personnel plus the services of an advisory committee at a cost of 1.5% of the unified system income.

Top Transit Officials

Among the management officials who will form Transit Services Corp. to operate the Bi-State system are the top officers of the Public Service Co. They are John C. Baine, president; John E. Danner, vice president of operations; S. Carl Robinson, vice president and secretary; P. E. Lechner, controller; and Guido Moss, chief engineer.

Baine said he would devote full time to Bi-State transit operations and will resign other transit firm affiliations at the discretion of the Bi-State Agency.

Fisher said the management group is thoroughly familiar with local conditions in the metropolitan area and has actively studied the organization of a unified transit system. They believe they can establish a unified system in the shortest possible time, he said.

"While it is too early to discuss operational details," Fisher said, "I feel certain we can count upon existing services being substantially improved, once the consolidated system is in full operation."

Other Firms Included

Prices to be paid for individual bus lines were not disclosed in Fisher's announcement, but the figure on Community Coach Co. was reported to be approximately \$400,000. In addition to Community Coach Co., transit firms for which negotiations have been completed are: St. Louis County Transit Co., East St. Louis City Bus Lines, Wood County-Alton Bus Lines Inc., Industrial Bus Lines, O'Fallon-Belleville Coach Co., Ferguson-Broadway Bus Lines, Brown Motor Lines Inc., Citizens Coach Co., Belleville-St. Louis Coach Co. and the County Coach Co.

Fisher said all agreements were entered into subject to Bi-State approval of all transit properties necessary to form the nucleus of a unified transit system, secured of competent professional management for such a system and the issuance and sale of revenue bonds to finance the project.

Following the regular board meeting, Bi-State commissioners met with Tri-City Regional Port Authority officials. Stated purpose of the meeting was to develop closer cooperation between the two agencies, which have concurrent jurisdiction in the area and are jointly concerned with the development of the Granite City harbor.

Port Authority officials attending the meeting were Carl A. Rant, chairman; Joseph Grant, Harold R. Fischer, H. D. Karandjeff, John Barron, port manager; and Randall Robertson, attorney.

Supreme Court Allows Coach Co. Appeal

(Special from Springfield)

The Illinois Supreme Court last week allowed a petition by the Community Coach Co. for an appeal of a decision by the Madison county circuit court in a personal injury suit.

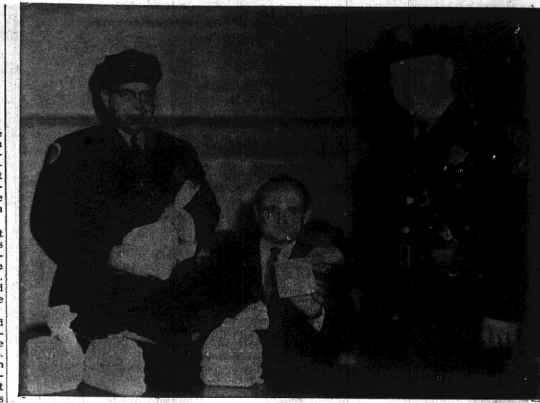

The appeal was sought based on a verdict of error and was set for the January docket of the state's high court.

The suit involves an injury suit filed by Henry Mills, a bus driver who fell into a pit at the company's garage on April 19, 1957, while he was off duty. He had gone to the garage to get rider tokens off his bus when the mishap occurred.

Mills' claim was disallowed by the state Industrial Commission and the injury suit was filed in the circuit court. With the circuit court reversing the commission, the appeal to the Supreme Court was filed by Community Coach and the commission.

Charged With Speeding

Carl W. Rice, 22, of 2421 East 25th street, posted his driver's license as bail when he was charged with speeding about 12:10 a.m. today at Nameoki and Pontoon roads.

FREE PARKING for downtown Granite City shoppers will be provided by these nine firms given by the Associated Retailers. Maurice Rich, seated, retailers president, presents the bugs of coins to Friends McMahon, left, and Joseph Kastelle Jr., parking meter patrolmen. Evening shopping hours nightly, except Saturdays, also are starting this week.

Extra Hour Parking For Christmas Buyers

Beginning today, shoppers in the downtown Granite City area will receive free parking for the second hour, courtesy of the Associated Retailers, and Civic Association and the Granite City police department.

Holiday shopping store hours also are beginning, with stores staying open nightly until 8:30, except Saturdays.

The retailers have provided parking meter patrolmen with supplies of nickels to place in expired meters. In addition, "courtesy" tickets will be placed on the windshields of the parked vehicles explaining the procedure to motorists.

This is the sixth year for the free parking program, promoted by the retailers in conjunction with the Christmas shopping season. The additional hours parking will be provided during all hours meter money is required.

Motorist Sought For Damaging Three Autos

Venice police are seeking the driver of an auto which struck the parked car of Thelma Bunk, 319 Weaver street, at 9:30 p.m. Friday on Weaver street near Calhoun street. Two other parked autos, not immediately identified, also were damaged in a chain reaction, one being pushed over curbing.

The same black truck is believed to have nearly struck a utility pole near the city hall while driving north on Klein street at high speed and without lights an hour before the accident.

Party For Commissioners

A Boy Scout commissioners' conference and Christmas party Saturday night at the fair grounds in Greenville was attended by 40 persons. Present from the Quad-Cities were Eugene Coe, Bernard Miller Jr., Floyd Pritchard, Ed Stone, Harry Tongue, R. J. Rodgers, Tom Teague and Dan Brown and their wives.

Auto Found Partially Submerged In Lake

A 1953 auto partly submerged in Horseshoe Lake near the Bend road-Route 67a intersection was towed out after being discovered at 11:30 a.m. Saturday by children playing in the area. Sheriff deputies tentatively traced the car to William Minton, East St. Louis, and made plans to contact him.

The vehicle apparently ran off the roadway and tumbled down an embankment, its front wheels and part of the engine and hood entering the water.

Driver Charged

James M. Cornett, 19, of 1732 Venice avenue, posted his driver's license as bail when he was charged about 7 p.m. Saturday with careless driving. Granite City police stopped him at Nameoki road and Washington avenue.

Granite Chapter 650, OES, Holds Installation Ceremony

Mrs. Hulda Griffith and Preston Ridings were installed as worthy matron and worthy patron of Granite Chapter 650, Order of Eastern Star, Thursday evening in a ceremony witnessed by about 350 members and guests.

Others installed were Dorothy Fitzpatrick, associate matron; Grover Brannan, associate patron; Golda Bieser, secretary; Blanche Leichter, treasurer; Ida Caris, conductress; Hazel Wood, associate conductress; Marguerite Halyama, organist; Rachel Larsen, Adah Wilma Brannan; Martha; Laura Maples, Electa; Hulda Noche, warder; LaVerne Larson, sentinel; and Leatrice Morrison, instructress.

The installing officers were Florence Spohr, Blanche Leichter and Mary Ellen Lewis escorted by John L. Wood, Roy Wilms and Clarence Hoffmann. Frances Balding was the installing officer.

The decor of the chapter room was purple and white. In the East was the large Bible on a stand covered with ivy and orchids. Candelabra were decorated with ivy and arrangements of purple and white chrysanthemums added to the attractiveness of the setting. On the backs of the white-covered state chairs were large ribbons bows in their individual colors and their gowns were of the same shade.

As the candles were lighted by Mrs. Edmonds, the past matron, a trio composed of Beulah Watkins, Beula Johnson and Myrtle Oechsle sang "A Mighty Fortress is Our God," accompanied by Marguerite Bonewits. Karmyn Edmonds, worthy matron, and Thomas Eyrarby, worthy patron, were the soloists.

The new matron, Mrs. Edmonds, the past matron, received her jewel from her mother, Mrs. Clara Harbig, also a past matron of the chapter. The past patron's jewel was presented to Thomas Eyrarby by Loyola Lewis, past patron.

The benediction was given by Rev. Frank Pierce and a reception followed in the dining room. Here, too, the purple and white color scheme prevailed. A large centerpiece of orchids adorned the table which held the silver services and from which the guests were served by Mrs. Pauline Mueller, a niece of the worthy matron, and Loretta Unverzagt. Mrs. Cecelia Malotki was the hostess of the dining room committee.

Miss Janet Karen Weidner And Stanley Keilholz Wed

Miss Janet Karen Weidner, a daughter of Mr. and Mrs. Wallace Weidner, 1029 Washington avenue, Madison, and Stanley Keilholz, whose parents are Mr. and Mrs. Fred J. Keilholz of Frankfort, Mo., were married Saturday morning at Sacred Heart Catholic Church in Granite City.

Rev. John Barrett officiated at the 10 o'clock ceremony and the wedding breakfast was held at the Smorgasbord.

Attendants were Mrs. Jean Weidner and Edith Smith.

For her wedding the bride selected a street-length dress of white satin and lace made with a round neck and wrist-length sleeves. A short veil was held in place with a crown of pearls and carried a bouquet of white carnations.

Mrs. Hedden was in an aquamarine lace dress over satin. In the dress featured an overskirt and completing the costume.

Mr. and Mrs. David Wood were the only attendants.

Mrs. Wood was in aquamarine ribbed silk with a matching pillbox hat and slippers. Her bouquet was made up of yellow spider mums.

Tri-City Park, Trinity Tabernacle Win Openers

Tri-City Park Tabernacle rolled past Nankook Methodist 30-17 in the opening game of the Granite City park district Church basketball league Thursday night at Coolidge Junior high school, and Trinity Tabernacle followed up with a 59-49 win over St. Joseph's in the second game.

Eldon Jackson took the evening's scoring honors with a 20-point performance for Tri-City Park, which led 41-18 at halftime. Teammates Hank Hatter and Don Dillard hit 19 and 18 points, Ken Seibel scored 17 for the Methodists.

St. Joseph's lost a 13-8 first-quarter lead, and never could catch Trinity in the second game, although the losers started close. Carl Main had 15 points for Trinity and Tony Costello the same number of points for St. Joseph, which trailed 29-22 at halftime.

Venice GS Wins Fourth Straight In Conference

Improving its grade school basketball conference record to 4-0 and its overall record to 18-1, Venice easily outdistanced host Hartford grade school Friday night, 48-24 in an eighth grade cage contest.

Venice scored 42-12 at halftime, and Coach Roger Davis used all 18 players on the squad at one point or another in the last half. Richard Eastington pumped in 22 points for the winners.

Venice seventh graders also won by a 27-23 score, with Russ Turner scoring 14 points.

The school's next games are tonight at home with St. Elizabeth parish school of Granite City.

Cahokia Converts Free Throws Into 75-68 Victory Over Granite City

Outshouted on the floor and outscored from the field, Cahokia used a big night at the free throw line and a height advantage brought on by foul trouble to top Granite City's Warriors here Friday night before a large crowd which was obviously pleased with the "new look" Andy Sullivan club, despite its setback.

The Comanches finished on top 75-68 in the opening basketball game for both schools. Down by 11 points at halftime, Cahokia's Andy Sullivan, who had 14 points and 11 rebounds, Moore had drawn his fourth personal with almost three minutes to play in the second quarter, the Warriors steamed back to a man-for-man press and the hot outburst shooting of Jim Duff, who had 15 points and 11 rebounds, combined with good work close under by Jim Cant.

Lead in 3rd Quarter
Granite City turned a 44-33 intermission deficit into a 48-46 lead with 4:25 to go in the third quarter, but then faded as Cahokia's 6-7 Larry Lentz began to find the range near the end of the period.

Lentz grabbed off eight rebounds in the third quarter alone, mostly on teammates' missed shots, and stuffed four of them back through as the Comanches moved back ahead 59-50 at quarter's end. The Warriors' defense was not good in the first half, but they did not let the Warriors' defense get the end of the third quarter, and left with 22 points to his credit.

Two free throws by Cant in the final minute of play cut the Warriors' advantage to six points, but two free throws by Burton Bruce and Jim Thomas' jumper led the game.

Thomas, whose jumping ability belies his 5-11 height, filled in well for Lentz while the latter was benched as a precautionary measure by Coach Earl Lee after being charged with three fouls in the first quarter.

Cahokia On Beam
"We've got a long way to go," said Lee after the game, although his club shot an excellent 58% from the floor and

grabbed of four more rebounds than did the Warriors.

All was not gloom in the Warriors' dressing room after the loss. The door remained locked a few minutes while Sullivan held a post-game meeting with his players.

"I thought we played a real good first half," the GCHS coach said later. "We hit our shot well (14 of 26), and most of them came from outside."

For the game, Granite City rimmed 28 of 55 field goal attempts for 51%, but converted only 12 of 20 free throws. Cahokia capitalized on 23 of 39 chances from the line, where the game was decided.

Granite City's jayves staved off Cahokia's early victory with the preliminary contest, 45-42, with Elton Hall scoring 11 points and Charles Warren nine. Lenny Shumaker had 15 for Cahokia.

The varsity scoring: Granite City—Profitt 22, Moore 18, Cant 12, Lilley 11, Brink 2, Hoffman 2, Papp 1; Cahokia—Lentz 24, Bruce 16, Thomas 15, McBride 10, Schmidt 10, Karr 0.

Score by quarters: Granite City 19 14 17 18—68; Cahokia 19 15 17 15—67.

Venice Pulls Even At 2-2 With 53-49 Decision Over Western Military Academy

Venice will begin the prep conference portion of its basketball schedule next Friday night at the 500 level, a pre-season goal set by Coach Bill Olenford, thanks to a 53-49 victory at Western Military Academy in Alton Friday which pulled the Red Devils even at 2-2 for the current campaign.

Venice edged the aggressive Red Raiders by outscoring the host club from the field in a rough and tumble contest which saw a total of 37 personal fouls whistled.

The corner shotmaking of guard Perry Otto helped the Devils open up a 45-37 lead at quarter's end, but they faded to a 49-45 deficit at halftime.

Clio was the game's high scorer with 16 points, 12 of them coming in the last half and nine of those gathered in the third period.

Miss Free Throws
Venice missed the chance to win by a point margin by failing to cash in on bonus free throws. But Ken McMullen, playing despite a heavy cold, and Jim Hoffman discovered opportunities from the line late in the game when the Raiders had whittled away the Venice lead to two points.

Venice clinched on top, 53-47, in the final seconds, and then allowed an unmolested WMA basket to seal the final score of the contest.

"We took a real physical beating," said Olenford afterwards. "They were fresh off the foot ball field, and it showed."

Coach Darwin Vatter, new WMA mentor this season, used the platoon system in an effort to wear down the Red Devils, substituting five men at a crack several times during the evening.

The result was only one player in double figures for the Red Raiders, but Olenford said the tactics against his club were at least partially effective.

They were plenty tired when it was over," he commented.

Devils Hit 41%
Venice, taking fewer but better percentage shots than the Raiders, finished with 20 goals in 48 attempts for 41%.

Granite City's first half Madson-Clinton-Macoupin counties conference game at Weslin of Trenton, Ill. 8 p.m.

The Venice junior varsity, with Howard Black scoring 21 points, topped the WMA reserves 49-42 in the preliminary contest.

Varsity scoring: Venice—Clio 16, McMullen 13, Mueller 8, Black 4, Kirtman 3, Harnsey 3, Fields 3; Western Military—Gipson 10, Harper 8, Stratman 7, Doucette 7, Hooper 5, Day 4, Haury 4, Gamster 3, Edgemon 1.

Score by quarters: Venice 15 15 17 8—55; WMA 15 13 13 12—49.

missed shot Friday night in Madison, where Trojans racked up a 54-43 opening game decision. High in the air but out of the play at left is Madison's Cecil Bell.

Madison Comes From 12-1 Deficit To Defeat Sparta In Delayed Opener, 54-43

"Well-pleased" were the words used by Madison high school basketball Coach Earl McClanahan in describing his reaction to the shorter and greener Trojans' win over visiting Sparta Friday night.

Madison capped the Bulldogs 54-43, and came from a 12-1 deficit in the first quarter to do it in the opening game of the season for both clubs.

The Trojans, with only post man Terry Andrews and Cecil Bell returning from last year's 28-1 club, pleasantly surprised McClanahan and an unusually large first night crowd in the MHS gym by stealing the play from the taller visitors late in the first period.

Applying the pressing defense which bedeviled opponents a year ago, MHS scored eight straight points to close to 12-9 after one quarter. They kept the pressure on in the second period, outscored the Bulldogs 18-11 for a 27-23 halftime lead, and won going away.

45-Minute Delay
The varsity contest was 45 minutes late in getting started, led by the fact that Sparta got off on the wrong foot even before the court action when their bus was halted by a flat tire near Freeburg.

For an opening game, the varsity play was unusually close. Against Madison, Sparta was held to 12 points, with only three free throw situation never did arise.

"We couldn't do anything right in the first quarter," McClanahan said. "We were taking the bad shot and our defense let them through for at least four gift baskets."

Once the press was applied

with vigor, it was a different story. Madison also seemed to shoot and move better, and showed more rebounding by Terry Andrews and Cecil Bell worked to offset an earlier advantage gained by the taller and heavier Bulldogs.

The Sparta club threw its own press at Madison in the final quarter, but left Andrews open underneath for some easy layups.

Sophomores Impress
McClanahan said he also was impressed by the work of two sophomores who jumped from the freshman team to the varsity club this year—Hayes Wright and Bob Fouts.

Those two, along with Andrews, Bell and Tal Fisk, played most of the way for the Trojans, and are listed as probable starters against Decatur MacArthur Friday night, losing 58-38.

In a one-day junior varsity game Friday, Sparta edged the Madison reserves 59-57, overcoming an eight-point Madison lead in the final quarter after three MHS regulars had fouled out. Paul Lusk hit 23 points for Madison, and Dale Turner and Ollie Wright 14 each.

The varsity scoring: Madison—Andrews 21, Bell 15, Wright 8, Fisk 8, Skinner 2; Sparta—Laws 17, Carlin 10, Kenne 7, Hodge 4, Henry 2, Reed 2, Trrazier 1.

Score by quarters: Madison 9 18 15 14 54; Sparta 11 11 11 11 43.

Rams Open Cage Season Tonight With Vashon High

Lincoln of Venice, with four of the five players who boosted the Rams as far as the semi-finals of the RHSA regional basketball tournament, last season gone as the result of graduation, will open its cage season tonight at home against Vashon of St. Louis.

Coach Stan Lynch will have three lettermen in his starting lineup, but familiar names like Bob Chavis and Tom Hall will be missing from the program.

Chavis and Hall led the Rams to an 18-5 season last year, and had been mainstays on the Lincoln squad for three years.

Chavis, who impressed everybody with his jumping and shooting in the regional, currently is listed as a starter for the freshmen squad at the University of New Mexico.

Returning to more pertinent subjects, Lynch said he plans to open with 6-3 junior Billy Hatter at center tonight against Vashon, which also will be playing its first game. Franklin Woodson (6-0) and Lawrence Isaac (6-1) will be the starting guards, with Tommy Turner (5-10) and Calvin Dillon (5-8) at the guards.

In addition to losing seven seniors by graduation, Lynch also lost senior letterman Charles Clark, who transferred out of the district. "I'll have to depend on some freshmen and sophomores before the season is over," Lynch predicted.

Backing up the starting five are juniors James Alford (5-7), a Chicago transfer student, John Henry (6-0), who attended Lincoln the previous year, aged 6-1, senior forward Wilfred Taylor and a pair of 6-0 freshmen forwards, Percy Dillon and Ralph Madison. Dillon is rated a top rebounding prospect by Coach Lynch.

Tonight's \$15 varsity game is the last Lincoln will play until Jan. 8, when King-Johnston and Lincoln will play at Madison, at Carbondale Athletics and in the St. Paul and Mater Dei tournaments.

Warrior Lineup Uncertain For Wrestling Opener On Tuesday Against McClure

Granite City high school wrestling team, with only three fourth lettermen returning as the Warriors prepare to open the campaign tomorrow by playing host to McClure of Ferguson, Mo., at 4 p.m. From left are Paul Lopinski, 95 pounds, Dan King, 112; Skip MacMillan, 120; and Larry Reynolds, 133.

Schmitt, beginning his 13th year as varsity wrestling coach here, said Larry Reynolds at 133 pounds, Denny Petroff at 165 and Gary Forshee at 180 definitely will represent GCHS at their respective weight in tomorrow's 4 p.m. meet. Reynolds is the only letterman among the trio.

The Warriors lost 10 of 11 letter winners through graduation.

95 pounds, Bob Yates is a possibility, provided an asthma condition permits, and lettermen Paul Lopinski and Larry Reynolds are defending Southwest Conference champions, perennially a powerhouse in downstate Illinois and the St.

Louis area, and a team which ran up a 20-1 dual meet record in 1962.

Coolidge Wins Two From Prather JHS

Coolidge junior high school teams swept a pair of Thursday games from crosstown rival Prather JHS on the Coolidge court, winning 36-16 on the eighth grade level and 71-56 in a ninth grade contest.

Terry Moore sank 15 points and Richard Jones 11 for the Coolidge eighth graders as Prather went into the second half, scoring only six points after trailing 18-11 at intermission.

The Coolidge freshmen racked up 40 points in the second half of the ninth grade contest after having led by just two points, 31-29, at halftime. For the winners, Larry Ripke netted 21 points and Mike Pritchard 18. Len Revelle scored 20 for Prather and Jim Rains 13.

Athletes Hear 'Doctor' Puddington; Grid Awards To Pyle, Petroff, Curry

Honesty, hunger and humor, important characteristics in an athlete, and how they relate to certain "homes of the body" were discussed here Thursday night by "Doctor" Dave Puddington, football coach at Washington University, who addressed the annual fall athletic banquet at Granite City high school.

Puddington, making his third speaking appearance in Granite City this fall, related honesty in the athlete to the "backbone," hunger (desire) to the "wishbone" and humor to the "funny-bone" before a gathering of cross-country and football athletes, their parents and friends of GCHS athletes.

The banquet was sponsored by the Alumni "G" club and Granite City Trust & Savings Bank, and was held in the high school cafeteria.

MAKING ANOTHER of his numerous speeches before athletic banquet audiences in Southwestern Illinois, Washington University football Coach Dave Puddington delivered the main address at the GCHS banquet honoring cross-country and football squads Thursday night.

Popular Local Santa Claus Preparing For His 26th Christmas Season

A Granite Cityan who was asked to pinch hit for Santa Claus 25 Christmases ago was such a success that he has been at it ever since.

Two weeks ago he arrived in the Quad-Cities via a space capsule to thrill thousands of children.

He now is engaged in his usual series of seasonal appearances that will take place through Christmas.

First Role In 1957

Jerome "Punch" Juda, of 2140 Lynch avenue, first played Santa at the Dewey Avenue Methodist Church in West Granite in 1957 as a fill-in "when somebody else couldn't make it." A suit was supplied and he entertained children at the church Christmas program.

He was such a success that he was asked to play Santa at subsequent Christmas parties. People began asking him to stop at their homes on the way to the church so he became a commercial Santa.

He now appears at company, church, school, lodge and private parties, both on a commercial and free basis. Where he can fit them into his schedule, charitable organizations receive his services free of charge.

Most Elaborate Costumes

As Juda's fame grew, so did his wardrobe. From his first borrowed Santa suit he has progressed to the point that he now owns one of the most elaborate costumes anywhere. He is proud that it is covered with jingling bells.

His three suits were handmade by his wife, Mrs. Santa Claus. They are of rich deep red velvet with white fur trimmings. The boots are completely covered with silver glitter and decorated with colored bells. They must be reglittered frequently.

Santa's dry cleaning bill runs high for a suit must be cleaned after two appearances.

He maintains three complete suits, one for indoor use and two for out-of-doors.

Even Santa Claus can get out of date stylewise. Juda and his wife pay close attention to other Santas, checking closely for any new ideas.

Wife Cuts Beard

The beard and wig (he has three of each) are German made. They keep Mrs. Santa Claus busy during the Christmas season. She keeps them in curlers and is almost constantly touching them up with a comb or curling iron.

Juda has a complete Santa Claus workshop in the basement of his home. A large ping pong table serves as a work bench and a place to put the numerous bells, decorations, gloves, wigs, beards and other small items of his costume.

Gained Worldwide Fame

Juda received the ultimate in personal fame as Santa Claus in 1958 when his trousers fell down and accounts of it were reprinted in newspapers all over the world. One clipping was received from Paris.

"Some thought it was a put up job," he said "but it certainly was not."

That year, Santa was coming in from Lakeside airport in a helicopter. As he was getting out in downtown Granite City, the drawing of the trousers caught in the safety belt of the aircraft.

In spite of the large bag he was carrying, he was able to make a quick recovery.

"They didn't go all the way down," he said, "but people tell me they saw my underwear."

Wears Suspenders — Now!

So there will be no recurrence of that episode, Juda now wears "big heavy police suspenders." He has two pairs — just in case.

As Santa Claus he has had several unusual experiences. While entertaining at a Catholic orphanage at Alton, a little boy jumped into his arms. The boy's coat caught in Santa's whiskers and Juda had to hold them on by hand for the next half hour.

While appearing at a church party in Glen Carbon, Juda discovered that one of his bags was missing. Someone had forgotten to pack it and it was the most important bag of all — the one with the Santa Claus suit.

A frantic phone call was placed to the father of his elves.

GETTING READY FOR CHRISTMAS, Santa Claus pulls on his glittering, bell-covered boots. He will make many appearances in the area between now and Christmas. He arrived in the Quad-Cities by space capsule.

Some other early helpers were his four elves who sang in German. Actually, they were "the kids across the street," Don David, Clifford and Michael Rousseau.

They ranged from about seven to 11 years when they began helping. They learned the songs from their mother who could speak German and were very popular with Santa's audiences.

The elves got older and bigger, however, and began to drop out. Soon there were only three, then two, then none.

Santa remarked that Don, the eldest of his elves, was engaged to be married last week.

Two New Elves

Juda used two new elves last year, Paul and Paula Bowler of Rural Route One. They are twins and the brother and sister of his son-in-law.

Santa Claus Juda has played the annual Shell Oil Co. Christmas party for 16 years. He is employed by the company as a painter at Roxana but presently is out of work because of the long strike.

One of his most memorable appearances was when he played Santa for the family of a soldier during the Korean war.

That job was easy. He was exhausted.

His first assistant was his daughter, Sandra, who now is Mrs. Roger Bowler of Collinsville.

When she was small he fooled her for years by talking to her, supposedly over a toy telephone, but actually from the basement through a register. Soon she began helping him by getting the gear together and packing his suitcases prior to appearances.

Juda now plays Santa for his daughter's own little girl, who is two.

Second Generation Santa

Playing Santa for the second generation is not at all unusual for Juda. Many of the children he visits are the offspring of

Record Sales, Profits

For Royal Crown Cola

Directors of Royal Crown Cola Co. last week declared the company's 98th consecutive quarterly dividend of 20 cents per share on common stock. The dividend is payable Jan. 2 on stock of record, Dec. 15.

President W. H. Glom of the national soft drink firm, which has a local plant, said sales and profits for the first nine months of 1962 are the largest in company history. He predicted even larger sales and earnings in 1963.

GET-ACQUAINTED SUPPER PLANNED
Brownie Troop 266 met Wednesday afternoon at the home of the leader, Mrs. Marlene Serini, 1711 Market street. The girls completed their Christmas carols and are now wearing them.

A discussion was held pertaining to a pot luck supper and "get-acquainted night" to be held Thursday, Dec. 6. The parents of the Brownies and also of Girl Scouts in the troop led by Mrs. Serini are to meet at the home of Mr. and Mrs. Lee Thiele, 1509 St. Clair avenue, to get acquainted and enjoy a supper, as they did last year.

The girls decided to meet at the home of the leader Sunday and attend the "festival of giving," which was held at the Madison recreation center, basket was made up prior to attending the festival.

Those taking part Wednesday were Donna Paichoff, Sandra Kay Serini, Carlo Dutko, Sherri Harrington, Penny Plante, Debbie Barham, Pam Hamilton, Ruth Ann Nichols, Donna Reeves, Carol Walker, Mary Helen Geroff, Gloria Boyd and Cindy Dutko.

LUNCHEON FOR CANASTA CLUB

The Jokers Canasta club met Wednesday evening in the home of Mrs. June Barham. Mrs. Edith Gentry and Mrs. Kathryn Hakkarainen were holders of high scores at one table, with Mrs. June Barham and Mrs. Mary Adams being the losers.

Mrs. Dorothy Smith, Mrs. Elvera Stagner, Mrs. Mary Allen and Mrs. Edith Broyles the low score holders.

A luncheon was served by the hostess prior to awarding prizes to each guest. Mrs. Edith Gentry invited the club members to meet in her home Dec. 12.

THURSDAY CLUB TO HOLD HOLIDAY PARTY

Mrs. Edna Jones was hostess to the Thursday club in her home, 1724 Bremen avenue, Tuesday evening. Games were played upon arrival of the members, with Mrs. Helen Richardson, Mrs. Elva Webb, Mrs. Wilma Sackett and Mrs. Corneille Hommert excoiling.

Mrs. Ruby Hocking, Mrs. Olga Fogle and the hostess took part in the game period. The club made plans for a Christmas party, at which secret pals will be revealed. Gifts will be presented to the secret pals for Christmas and anniversaries or birthdays for December. The hostess served refreshments prior to the adjournment.

ATTEND FESTIVAL

Girl Scouts of Troop 266 are to bake cookies and make candies at the home of their leader, Mrs. Marlene Serini, 1711 Market street, during the next few meetings.

A project for an orphanage has been completed by the girls, and a basket for the "festival of giving" was decorated by Mrs. Serini at its meeting Thursday. The girl scout pledge was given as the girls gathered at the Serini home.

PROGRAM CHANGES DISCUSSED BY LEADERS

The leaders of the River Bluff Girl Scout Council, District Four, Neighborhood Two, met Wednesday at Emerson school with the chairman, Mrs. Wilma Hancock. Reports were given by each leader.

Mrs. DeLauri Hudson gave a report on program changes. She attended a two-day meeting at Peoria, Ill., last month on programs.

Mrs. Lela Petras, Mrs. Virginia Kessler and Mrs. Lou Edwards were appointed as co-chairmen for the spring cookie sale.

Mrs. Hancock announced that anyone wishing to buy or sell a used uniform may contact Mrs. Martha Bollinger, 3000 Willow drive. Also announced was that the office in Belleville will be closed over the Christmas holidays and will move to Edwardsville, where it will be located in the Schwartz building, 103 North Main street.

About 25 leaders were present.

MISSIONARY MEETING

The Granite City Missionary Union met Thursday morning at the Bethesda Baptist Church. Mrs. Leslie Shemwell, president, held a short business meeting.

Mrs. Arlene Smith taught the lesson, "New Frontiers in an Old World." On Thursday there will be a "Week of Prayer" for the foreign mission program, starting at 1 p.m. Mrs. Arlene Fisher closed the meeting with prayer.

MRS. HILLER, FORMER RESIDENT, SUCCEMS

Mrs. W. R. Wilkins left Friday for Murphysboro, Ill., to attend the funeral of her sister, Mrs. Myrtle Dodds Hiller, formerly of Granite City.

Mrs. Hiller passed away Friday morning.

Granite City Resident Enlists For Four Years

Charles W. Reed, 17, son of Mr. and Mrs. Lonnie Reed, 1629 Courtney blvd., has enlisted for four years in the U.S. Air Force. He is taking basic military training at Lackland AFB, San Antonio, Tex., according to S/Sgt. Dwayne E. Donelson, local Air Force recruiter, before enlisting.

Alman Reed attended Granite City high school.

Persons interested in Air Force careers may inquire at the recruiting office in the basement of the city hall in Granite City.

Namecki Twp. Plans To Strengthen Junk Yard Law

The Namecki town board will probably discuss revision of its junk yard control ordinance at Wednesday's meeting at 7 p.m. in the town hall along Route 162.

Supervisor Harry Briggs said the present ordinance is being contested in court, and Town Atty. Nick Vassilef was instructed at the last meeting to study the need for putting "added teeth in the law."

Mitchell Man Burned As Gasoline Ignited

George E. Warnicke, 24, of 509 East Chain-of-Rocks road, Mitchell, was seriously burned about the legs and hands Friday when a can of gasoline near an open fire suddenly ignited at the site where he was working in Belleville.

Warnicke, grandson of the Mitchell Public Water District general manager, George Warnicke, was working near the Louisville and Nashville railroad depot in Belleville when the accident occurred. He is employed by a steel reclamation company.

Warnicke is a patient at St. Elizabeth's Hospital, Belleville, where his condition is listed as fair. He is to be transferred to St. Elizabeth's Hospital where his condition is sufficiently improved.

Granite City PRESS-RECORD
Page 10 Mon., Dec. 3, 1962

State Capitol NEWS

In his remarks prepared for
delivery to the Fair Employment
Practices Commission Public Ad-
visory Committee in Springfield,
Gov. Otto Kerner said the pre-
vious failure to enact fair em-
ployment practices legislation
has cost Illinois and its taxpay-
ers thousands of dollars.

"To deny employment oppor-
tunities to a substantial number
of our citizens solely because of
race or religion is morally inde-
fensible and economically un-
sound," the governor said. "It
belies our traditional American
belief in individual merit, and it
conspires countless persons to
jobs below their capabilities or
to no jobs at all. These unfor-
tunate men and women usually
are the last to be employed and
the first to be terminated," he
said.

The governor said that with
little or no opportunity to ob-
tain a job to support themselves
and their families, these men
and women have had to turn to
government for financial assist-
ance. Discrimination is a contri-
butor to increased demand for
public charity, the governor said.

"Not only is this administra-
tion against discriminatory prac-
tices in employment," Gov. Ker-
ner said, "but it is against dis-
crimination in any area which
is at odds with the funda-
mental proposition of this na-
tion that all men are created
equal."

The Illinois Commerce Com-
mission has extended the date
for compliance with motor car-
rier equipment leasing to Dec.
15, 1962.

Corn is nearly 90% harvested
in the state. This is 10% more
than average for this date and
20% more than last year, ac-
cording to the Illinois Cooper-
ative Crop Reporting Service. A
record yield of 82 bushels per
acre is indicated.

The Illinois Department of
Conservation offers tips to hunt-
ers as follows:

—Guns should not be loaded
until away from homestead or
barn lot.

—Go through a gate rather
than climb a fence. Make sure
the gate is fastened securely. If
you must cross a fence, unload
the gun first.

—Dogs should not be permit-
ted to range through standing
crops. If there is danger of crops
being damaged.

conclusion of the game period.
The members drew names for a
gift exchange at Christmas.

The next get-together will be
a New Year's Eve anniversary
party which will be held at the
home of Mr. and Mrs. Barr,

89TH BIRTHDAY

L. L. Barlow was honored
with a birthday dinner served
in his honor by members of Odd
Fellows Lodge 1031 last week.
The dinner was served at the
Odd Fellows hall and marked
his 89th birthday.

Barlow is the only surviving
charter member of the lodge.
Twenty members enjoyed the
dinner.

Collide in Madison

Auto driven by Roy E. May,
46, of 1317 Robin street, Venice,
and Marcelle J. Daffin, 26,
of 1124 Douglas street, Venice, col-
lided at Third street and Mad-
ison avenue, Madison, about 5:30
p.m. Saturday. Police said the
left front of the southbound Daffin
auto and the front of the other
auto were damaged. May was
heading north and making a
left turn.

You can pep up appearance by
adding a tiny piece of ginger root
while cooking the apples.

James McDonald, 31, of 1100
Calhoun street, Venice, col-
lided with a car driven by Thomas E. Faury,
34, of 1713 Garfield avenue, at
the intersection of Third street and
Madison.

Police said McDonald was
driving north. His vehicle
crossed the street into the on-
coming traffic lane and struck
the pole on the west side of the
street. The auto was heavily
damaged.

McDonald suffered multiple
cuts to the face and abrasions
to the right hand and leg. He
was released from the hospital
this morning.

Leonard Morgan, 39, of 1714
Cleveland blvd. was injured at
5:45 p.m. Saturday when his
northbound auto left Route 67a
one-half mile north of West
Pompton road and overturned
down an embankment.

He was treated at St. Eliza-
beth Hospital for a laceration to
the right ear and abrasions
about the right eye. State police
said Morgan veered to avoid col-
liding with a truck.

Mrs. Jane Carpenter Succumbs At Age 98

Mrs. Jane E. Carpenter, 3004 Kirkpatrick Homes, died at 4 p.m. Thursday at St. Elizabeth Hospital. She was 98 years of age.

Mrs. Carpenter had been ill since Thanksgiving day, and was at the hospital two days. Although her health had declined mildly with advancing age, she had remained quite active around her home until her recent illness.

Born at Hillsboro, Mrs. Carpenter had been a Granite City resident since 1903. She was a member of the Central Christian Church.

Surviving is a daughter, Mrs. Orel Bohannon, with whom Mrs. Carpenter made her home; three grandchildren and five great-grandchildren.

Her husband, Charles, preceded her in death in 1949.

Funeral services were conducted Saturday afternoon at a Granite City funeral home. Burial was in Sunset Hill Cemetery near Edwardsville.

Old Yule Customs Observed In Many Lands

Although universal in its spirit and purpose, Christmas is observed in many different ways throughout the world.

Individual countries have acquired literally thousands of customs through the ages. Some have been discarded along the way, while others are still observed.

Medians Break "Pinata"
In Mexico, for example, breaking the "Pinata," an earthenware jug filled with fruits, nuts and candies is still an important Christmas custom.

Blindfolded children armed with sticks try to break it open. When they succeed, all join in the scramble for the "goodies" that pour out.

In the Northland of Canada, the Eskimos have a unique Christmas custom. Eskimo communities set off to visit neighboring towns.

The following year the visit is repaid and the visiting town becomes the host.

In Finland, all members of Finnish families must take a steam bath before the festivities of Christmas Eve can begin.

Sparks Bring Blessings
In Yugoslavia, the Christmas celebration is centered around the Yule Log. A young tree is felled and taken into the house before sunrise on Christmas morning. While burning, it is struck with an iron rod causing sparks to fly up the chimney.

Tradition says that blessings as numerous as the sparks will fall on the family during the coming year.

In Greece, special loaves of bread are baked for the Christmas celebration. Each loaf is marked with a cross on top, a silver coin concealed in each.

According to custom, the person the coin is destined for a prosperous year.

In India, one week before the holiday, all villages that observe Christmas, fast by not eating animal food. On the last day they eat no food at all until they take communion on Christmas Eve.

Greeting Cards Universal
Probably the most universal custom associated with Christmas is sending Christmas cards.

For a custom that is so well established all over the world, it is relatively new, however—just over a century old.

It was in 1843 that the first Christmas card was published in England by Sir Henry Cole, who commissioned an artist named John Horsley to design a Christmas "greeting" for him because

he was too busy to write to his friends at Christmas.

Some Send New Year Cards
Since then, the sending of Christmas cards has become almost universal, although in some countries greetings are set for the New Year, instead of Christmas.

This year, more than three billion Christmas cards will be mailed in the United States, alone, post office department officials estimate. This is an average of approximately 15 cards per person.

Even Santa Claus takes on different forms and arrives at different times in certain countries.

Santa Comes Jan. 6
In Spain, he bears his traditional gifts on Jan. 6, the feast of the Epiphany which celebrates the arrival of the Three Wise Men. Spanish children fill their shoes with straw for the camels of the Wise Men, and place them on the window sills.

Similarly, in Holland, children place their wooden shoes filled with hay in a corner or a ledge, but it's for Santa's white horse.

In Germany, Santa wears a red chain which he rattles at the door. Candy and cookies go to the good youngsters, the bad ones get empty potato sacks.

In Italy, Santa arrives as an old woman on a broomstick. She is named La Befana, and leaves gifts in the children's shoes.

Local 4-H Club Given Awards At County Meet

A number of the Fifty-Eighters 4-H Club were among those receiving awards at a county achievement program Thursday evening in the auditorium of the Edwardsville high school.

Richard Gusewille, president of the Madison County 4-H Federation, presided during the awards program and introduced Mrs. Blaine Wendler, home adviser; Mrs. Mary Knecht, assistant home adviser; and Mrs. Ed Von Hatten, county Homemakers Extension 4-H chairman.

Mrs. Knecht introduced leaders and junior leaders of all clubs in Madison County.

Miss Marilyn Bondegard, Miss Rula Muller and Miss Kathy Brave of the Fifty-Eighters Club received Junior Leader Certificates and pins and Mrs. Robert Brave, leader of the club, was presented with a County Certificate of Recognition in the National 4-H Alumni Recognition program.

Christy Brave, Barbara Wood and Kathy Brave received a pattern firm's dress revue pins; Gail Hamlin was given a public speaking award; and Kathy Brave a thread firm's award.

The club was given county and state recognition for outstanding Achievement in the National 4-H Safety Program.

For the second consecutive year the club was among the ten clubs in Illinois receiving state recognition.

County and state project honor members, Gail Forshee, Karen Bondegard, Sarah Zivernburgh, Linda Sheffer, Cynthia Willard, Diane Kinney, and Donna Kinney, were recognized; and Gail Hamlin, Marilyn Bondegard, Kathy Brave, Susan Mueller, and Mary Jan Miller received commendations in membership awards in addition to county and state project honors.

Entertainment for the evening was provided by a local band studio. The numbers were introduced by Kathy Brave. Approximately 25 were served refreshments after the meeting.

Six-Month Area Study Ready For Legislation
The Southwest Illinois Study Commission, headed by State Sen. Paul Simon, is preparing final reports for presentation to the General Assembly in January.

Preliminary reports given during a meeting of committee chairman Tuesday evening at Edwardsville call for long range improvements in Madison and St. Clair counties, covering education, housing, recreation and conservation, land use and zoning, tax assessments, air pollution, governmental services, culture, sewer and water supply, highways and transportation, hospitals and health services and economic development.

Driver In Crash Friday Faces Traffic Charge
A charge of following too closely was placed against Clarence Green, 41, of 2500 Denver street on Friday after a two-car crash on Nameoki road at Venice avenue.

Police said Green was driving south and struck the rear of the southbound auto of Peggy Stockton, 24, of 2152 Washington avenue, who was making a left turn.

Boy Undergoes Lavage
Gregory Wolf, two, of 2816 Edgewood drive, underwent a stomach lavage at the St. Elizabeth Hospital emergency room Friday afternoon. Attendants said he had swallowed an unknown number of strong pills.

EAGLES LODGE canned goods drive chairman, St. Clair Shupper performing the ceremonial light of the first bulb on the Salvation Army's "Tree of Lights." The ceremony took place Saturday afternoon at Memorial Park. Initial contributions totaled \$1092 to turn on 43 lights. The goal to provide Christmas baskets for needy families is \$4500. Large Water Users Being Polled On Boost

Member firms of the local area Large Water Users group are being polled to determine if the 12.75% water rate increase granted last week is to be opposed.

The poll of the 23 firms is expected to be completed early this week, according to the group's attorney, Randall Robinson.

The St. Clair County Water Users Association plans to petition for a rehearing on the across-the-board increase based on the failure by the Illinois Commerce Commission to eliminate the differential between the high and low elevation area charges by East St. Louis & Inverness Water Co.

The high elevation difference amounts to nearly four cents per 100 cubic feet of water, or 6% for residential users, and 40% for industrial users, the association points out.

The water company, which was seeking a 33% rate boost, also is considering a petition for rehearing.

The new increase, designed to give the water company \$590,000 additional income annually, became effective at midnight last Monday and added 68.25 cents to the minimum quarterly bills of area householders.

Street Crews Grade 32 Blocks of Alleys

With work carried out last week, Granite City street crews have graded and raked 32 blocks of alleys, as well as continuing tree trimming and cutting and

supplies and routine work. Supt. of Streets William Warfield said crews last week also hot.

repaired catch basins, cleaned sewers, repaired sidewalks, tarred cracks in paved streets and cleaned manholes.

One man started his vacation and another was off one day due to illness, Warfield said.

Rule to observe in feeding pre-schoolers: serve main-dish food warm rather than piping hot.

'New Look' Expected In Sheriff Department

There'll be some changes made" would have been an appropriate theme song as Sheriff Barney Fraundorf was inaugurated for a four-year term this morning in Edwardsville.

While he hopes to work closely with the County Board of Supervisors and its committees, and to be guided to an extent by their suggestions, the former Madison police chief has more than a few ideas which differ with past procedures.

A basic change which the new sheriff is hopeful of bringing about is to upgrade and expand the small office in the combination jail and sheriff's residence. The more spacious office in the county courthouse is open only five days a week and has the disadvantage of being located separately from the jail.

Office Space, Driveaway
One way of doing this would be to designate the present office as the sheriff's quarters as an additional office for the sheriff.

The living room is adjacent to the present small office and is connected with it by a door which is currently unused. Sheriff learned during a tour of the building before taking the oath of office.

Parking and driveway changes also are regarded as potentially helpful. The new sheriff, a veteran of over 24 years of police experience, would like to encourage the general public to feel free to either telephone or arrive to the office and submit reports and crime complaints relating to the unincorporated area of Madison county.

Security, Safety
Minor structural changes are a possible means of improving security measures at the county jail, and safety factors also are being given top consideration by the sheriff told the Press-Record.

In the event of a fire or other extreme emergency, Fraundorf wants to be sure that the ancient jail could be evacuated quickly, with no injury or loss of life allowed to occur.

In this same connection, material stored in the basement of the jail and residence is to be given close scrutiny. Items of no value are to be discarded to reduce fire hazards.

Accustomed to operating the Madison city jail with only seven prisoners at most, and frequently with no one at all in residence there, the new sheriff plans to exert efforts in several directions to reduce tenancy in the county jail.

45 County Prisoners
With 65 prisoners on hand one day last week, and the number usually increasing during the winter months, when some vagrants desire a warm shelter, Fraundorf hopes to achieve a

major reduction in the tenancy level of past years.

He believes it will be possible to catch as many criminals, and probably more, than in the past. And he recognizes the need to confine criminals and suspects in a large number of instances.

But he would like to discourage long-term residence at the county jail, which he feels does not have suitable prison facilities, including provision for recreation and exercise. He plans to confer with magistrates on the possibility of sending those receiving long sentences to state penal farms and state penitentiaries rather than the county jail.

Bond Policy
Comparatively low bonds for non-violent suspects awaiting hearings or trials have been a factor in keeping the Madison city jail relatively empty, and the policy is expected to receive study on whether it can be applied to some county cases.

Generally has been restricted to individuals having homes and jobs within the area and subject to prompt extradition if they should flee.

Many of the changes Fraundorf hopes to see during the coming months involve procedures directly within the sheriff's department.

He and his chief deputy, George Ramach, will outline both general and specific policies to deputies and staff members, and whatever changes in personnel become necessary will be made.

Criminals become so lax at one point in recent years that deputies declined to respond to assignments related to them on the grounds that they had handled the previous case and it was sensible to let them turn.

Long Hours For Sheriff
With such a wide area to be covered, no such attitudes are expected to be tolerated by Fraundorf, who plans to be a "working sheriff" aware of procedures followed during all of the 24 hours.

As previously announced, an investigative staff is to be created. All other appointed employees also are to be made a part of a concerted effort to enforce jail law violations and to solve the crimes which do occur.

"Thousands of reports filed in the sheriff's office in recent years tell of thefts and other violations but go no farther than the initial summary of what happened. If the new sheriff is successful in carrying out his plans, this level of performance no longer will be good enough."

Fraundorf does not expect to "beat 1,000" in clearing up crimes and capturing criminals, but—with the cooperation of police throughout the county—he wants to have a respectable "battering average," one that will prompt the lawless to make a detour around Madison county.

Fined For Disturbance

Paul Maykott, 40, of 944 Niedringhaus avenue, was fined \$10 and costs by Police Magistrate Gasparovic this morning on each count of being drunk, creating a disturbance and using profane language. Police arrested him at his home Sunday afternoon on answering a complaint about a disturbance.

Prize List Announced For Lighting Contest

Interest is growing in the Granite City Jaycee annual Creative Christmas Lighting Contest, according to chairman Donald Young.

Prizes of \$75 for the winner, \$50 for second place, \$25 for third place, and \$10 each for five runner-ups will be given in the contest which is limited to residential buildings.

The deadline for entry in the Granite City contest is midnight Dec. 18. Judging will be completed between Dec. 21-27.

Young said an official entry blank in the Jaycees contest along with a free copy of a booklet entitled, "Christmas with Light," may be picked up at the Illinois Power Co. office at Niedringhaus and Delmar avenues. The company co-sponsors the event with the Jaycees. Entry forms also may be obtained by writing to the Granite City Jaycees, Box 3, Granite City.

Persons desiring more information on lighting or group who would like a home lighting demonstration may contact Miss Dorothy B. Smith, lighting contest advisor, at the Illinois Power Co. Collision At Intersection

A collision occurred about 2:45 p.m. Saturday at the intersection of Faith and Nameoki roads. Police said the autos involved were driven by Tommie S. Clements, 65, of 2808 Wayne avenue, who was driving east on Faith, and Lydia L. Nobis, 32, of 1916 Lynn avenue, who was driving south on Nameoki road.

Problems between hunters and farmers would be reduced if both sides knew their legal rights and responsibilities, a University of Illinois professor of agricultural law believes. All game is considered the property of the state and is subject to regulation. However, the farmer, has the final word on who shall be allowed to hunt on his land.

A tablespoon of powdered egg white plus two tablespoons of water is the equivalent, when mixed together, of a fresh egg white. Use lukewarm water and sprinkle the powdered egg white onto it. Stir occasionally as the mixture stands so the powder will dissolve.

All roast meat should be allowed to stand from 20 to 30 minutes after being removed from the oven and before being carved. This lapse of time always gives the hostess a chance to do the necessary last-minute work.

If you're boiling plum pudding the old-fashioned way, a greased thickly-floured square of unbleached muslin may be used for holding the pudding instead of a mold. Room must be left for the pudding's expansion and the cloth must be tightly tied.

Shots Fired Near Tavern, Cars Hit

At least three shots were fired near the El Rancho tavern, 1413 Second street, at 2:25 a.m. Friday, Madison police learned after being called to a nearby alley area.

Officers found four Quad-City men seated in one car at the scene and Carl Dean Warren, 30, of 2121 Illinois avenue seated in another auto, which had had its rear window broken out, possibly with a beer bottle.

Warren was charged with having a loaded shotgun in his car and was released at 2 p.m. Friday to return for a hearing Dec. 8. The shotgun had not been fired.

Bullets had struck the left front fender of Warren's car and the trunk lid and right rear fender of a Checker Cab Co. taxi parked in the alley, police determined. The cab driver was gone but returned later.

The four found in one of the cars were released after extensive questioning. Granite City police cooperated with the Madison department in the investigation.

Girl Prisoner Taken Ill In County Jail Saturday

A Granite City girl, 20, serving a 30-day sentence in Madison county jail for shoplifting, was rushed to St. Elizabeth Hospital Saturday night. The sheriff's office confirmed the girl had a miscarriage.

She was sentenced by Police Magistrate Gasparovic on Nov. 19. At the time she was sentenced, it was not known to authorities she was pregnant.

Levee District Injunction

(Continued from Page 1.)

requested copies of the original bills, certificates from the presiding officers of both legislative houses and the journal of the senate to determine the exact vote.

1923 Vote Big Issue

One of the main issues in the senate June 1923 vote. The amendment received 24 votes. At today's hearing the 38-year-old records are to determine if that constituted a majority. The bill was not signed by the governor but was entered when no objection was filed.

Going into today's hearing, lawyers for the local taxpayers commented the 1923 records are not too clear. A rush trip to Springfield this morning is expected to bring clarification.

Regardless of the outcome of today's hearing, an appeal is likely. Should the court dismiss the temporary injunction, the levee board could proceed to issue the bonds. Atty. Robertson said. However, there is a question if a bond house would cooperate with the sale if an appeal is pending.

Disturbance Charge

Robert L. Werner, 32, of 1106 Market street, Venice, was arrested at his home yesterday and charged with disturbing the peace and being drunk. Police said he had threatened to "shoot up the place" with a .22-caliber rifle. He was held in the city jail pending a hearing.

Theft Loot Varies From Television To Go-Cart

Items varying from a television set to a go-cart were taken by thieves in weekend activity in the Quad-Cities area, according to reports from local authorities.

Mrs. Sonja Halst, 546 Barclay avenue, Mitchell, reported to the Madison county sheriff's office Friday that a TV set was taken from her house trailer. She said she took her children to school and returned five minutes later. As she approached her home, she said a man with black bushy hair left the trailer and sped off in a white foreign auto.

She said her television set and a jewel box were missing. Deputy sheriff Tony Petrillo of Granite City is investigating.

A go-cart was stolen Friday afternoon from Ronald Borowski, 2600 Illinois avenue. It was taken from in front of his home, police said.

Theft of a ladies' purse containing papers and a 17-jewel wrist watch was reported Thursday afternoon by Jerry Sanson, 41, 2150 Ohio avenue. He told police the rear door of his home was open the night before from 8 p.m.

Joseph Kukarolo of 2900 Grand avenue reported to police Thursday afternoon that within a two-week period a gasoline engine was stolen from a concrete mixer at the city's animal shelter building under construction along U. S. Highway 67A.

The thief entered the home of Charles Anderson, 2315 West 14th street, Saturday night and stole an 8-mm movie projector, telescope lens, a carton of cigarettes, a deck of cards and some pencils. Anderson reported the theft to police Saturday afternoon.

Thief Edward Nowlins from Randy's service station, 2301 Madison avenue, was reported Saturday evening to police by the Proprietor, L. D. Anderson.

\$600 Damage In Fire

Fire apparently caused by youngsters playing with matches resulted in \$500 damage to the building and \$100 damage to the contents of the two-story frame home of Frank Griffin, 905 Grand avenue, at 11 a.m. Saturday. The blaze started in an upstairs closet. Madison firemen said, and burned an upstairs rear porch.

Madison Plant Again Helping Make Armored Vehicles—20 Years Later

Originally built as a war plant to produce cast armored vehicles, the industry known now as the Dow Metal Products Company's Madison mill once again is turning out products for a similar end use. Dow acquired the plant 12 years ago.

Instead of tank hulls—the initial product dating back two decades—the plant is manufacturing large hollow aluminum extrusions which form the side framing of the M-113 armored personnel carrier.

The vehicle was designed by the FMC Corp., which is building it for the Army at the FMC firm's Ordnance Division plants, San Jose, Calif., and Charleston, W. Va.

Versatile, Light In Weight

The extrusion for the frames is one of a number of aluminum shapes produced by Dow Metal Products for the M-113, a versatile, light-weight vehicle.

Originally, the side frames consisted of two aluminum shapes joined by welding. Redesigning the part as a single extrusion has resulted in a stronger part, faster assembly and lower production costs, Dow spokesmen explained to the Press-Record today.

The hollow sections are being created on a 14,000-ton extrusion press in the Madison plant. An aluminum alloy known as 5083 is being used.

Close Tolerances

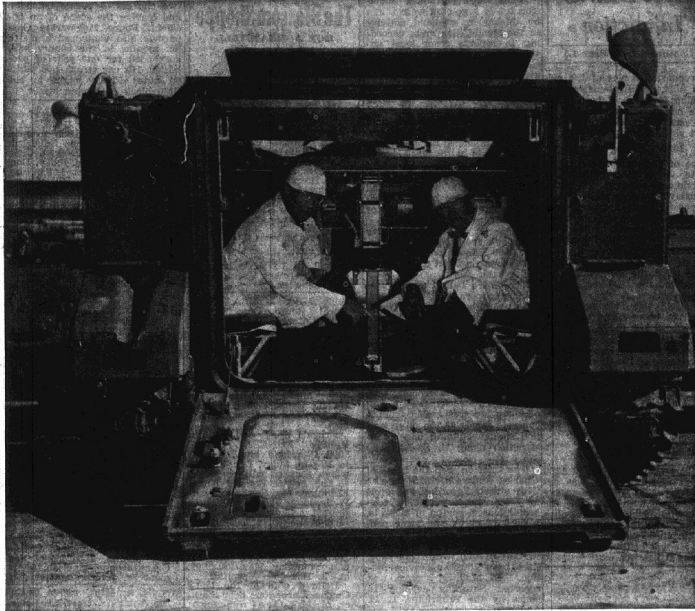

Painstaking attention to detail in all phases of the extrusion cycle are necessary in meeting the required close tolerances despite the size and complexity of the product.

The full-tracked M-113 is an armored, air-transportable and amphibious carrier designed to accommodate a squad of 12 men plus the driver. Each vehicle uses about 10,000 pounds of aluminum extrusions, plate and forgings.

In addition to the 14,000-ton press, Dow uses presses with 3500, 2000 and 1700 tons of capacity in making various aluminum extrusions for the M-113.

Granite City Bound Over To Grand Jury

The case of Carlos Mitchell, 35, of 927 Niedringhaus avenue, has been bound over to the January term of the grand jury. He is charged with contributing to the delinquency of a minor.

Mitchell was freed last week on \$2000 bond. He was arrested Sunday, Nov. 25, by sheriff's deputies. It is alleged that he was found parked near Granite City with a 15-year-old girl in his auto.

Praise is the best auxiliary to prayer. He who most bears in mind what has been done for him by God will be most emboldened to ask for fresh gifts from above.

Scouting Membership Goals To Be Discussed

Allen Jesse, Uniwh district chairman, and Bernard Miller Jr., district commissioner, have called a special joint meeting of the district committee and commissioner staff for Thursday, Dec. 6, in the cafeteria annex of Granite City high school to discuss plans for achieving year-end membership goals of Quad City area scouting units.

Special invitations are being sent by both to encourage attendance by all institutions, representatives, newly-elected committee members-at-large and all commissioners.

County Board Resumes Work On 1963 Budget

The county board of supervisors today resumed conference at Edwardsville in its work to prepare the county's new budget for the 1963 fiscal year.

The conference was recessed last week to permit county officials to attend the weekend's annual midwinter conference of the Illinois Association of County and Township Officials.

The committee has been meeting with county officers relative to appropriation requests for the new fiscal year.

At the conclusion of the interviews, the committee will draft a tentative budget to be submitted for adoption at the county board's Dec. 28 session.

Parked Across Driveway

A minor traffic accident occurred about 11:50 p.m. Thursday when John L. Chapline, 26, was backing his auto out of his driveway at 2428 East 25th street and struck another that was partially blocking the drive. The parked vehicle, belonging to Thomas Bloor of Granite City Army Depot, was ticketed by police.

Immediate Posting Of Christmas Mail Urged

Only cards and gifts which are mailed immediately can be assured of delivery by Christmas Day, Granite City, Madison and Venice postal officials warned today.

"It looks like the Christmas mail this year will set an all-time record," Granite City Postmaster Theodore Overbeck said. He said he believes this year's mailings will far exceed those of the pre-holiday season of 1961.

Local postal patrons who can do so are being urged to take mail to the postal windows before 10 a.m. or between 1:30 and 3:30 p.m. to avoid the noon hour rush.

The postmasters urge those sending mail to be sure and include a proper return address as well as clearly written or printed recipient's name and address. Always use zone numbers where applicable and avoid abbreviations, they added.

Begin Late Opening
Overbeck said beginning Dec. 15 service windows at the Granite City post office will be open from 8 a.m. to 6 p.m. to handle

the Christmas rush. Postmaster Harry Johnson of Madison said he will release a schedule of late hours at the Madison post office later.

Venice has not had late hours for the Christmas mailing season in the past. Postmaster Charles Simmons said, and it is not anticipated they will be necessary this year.

All these postmasters are urging Quad-Cityans to have all Christmas presents in the mail by Dec. 10 if at all possible. Christmas cards for out-of-town should be mailed before Dec. 15, they said, and those for local delivery should be mailed at least a week before Christmas.

The following items were taken from the files of the Granite City Press-Record.

THURSDAY, DEC. 2, 1937
Ben Patterson, automobile salesman from Granite City, was robbed by two men who took him for a "ride" after he got out of gasoline near the Lakeview Hotel in Madison at 3 a.m. Wednesday. He was taken to a lonely spot in the vicinity of Eagles Park, hit over the head and relieved of \$85.

Relief clients in Venice township who own automobiles and who have been operating them for pleasure will no longer be permitted to do so and remain on relief, according to an announcement yesterday by Supervisor Joseph Greiner.

Greiner said that every citizen owning a car has been notified that before he receives any more relief he must turn in his license plates and the keys to the relief office.

Anyone found violating the new rule will be stricken from the relief roll. Greiner said practically every other supervisor of the county has taken the same action.

Doris Austin, 12-year-old pupil at Harris grade school, Madison, won the Indiana championship in final competition of the Missouri-Illinois spelling bee conducted Tuesday by the St. Louis Advertising Club at a luncheon in the Hotel Statler.

James Vrenick again copied the honors in the YMCA Monday night bowling league. He rolled high three 200s and a single game of 217, 210 and 204.

The annual Water tea will be given Dec. 4 by St. David's Society. It will be held from 2 to 9 p.m. at the Masonic Temple.

Sidney Katz, young businessman of Granite City, escaped injury last night when his skidded and overturned near Horsehoe Lake.

Mr. and Mrs. Charles Huxel and family of Bloomington were sacrificed when they were vacationing at the home of Mrs. Huxel's parents, Mr. and Mrs. Herman Huxel, of Bryan avenue.

Lowell Miller, 17-year-old high school football team, sustained a dislocated shoulder in a neighborhood game near his home, 3019 Warren avenue.

Mayor M. E. Kirkpatrick was elected vice-president of the newly-organized association of Madison county mayors Monday night.

Mr. and Mrs. J. H. Pershall departed yesterday for a brief vacation in New Orleans. They will be home Sunday.

Mrs. Laura Uffers of Madison entertained the Junior Service League in her home Tuesday assisted by Miss Marian Harlan and Mrs. June Wedler.

Glen Purvins, captain and end on the Granite City high school football team, was injured in a game at the Illinois all-state football team, selected by Pat Harmon for the game of Chicago and Urbana.

He is the first Granite City football player to make the all-state team. He also was named to the Granite City or Madison made any of the three all-state eleven or received honorable mention.

I wonder if I will ever get the same break as you? You set out to take care of me as you promised. You raised my government pension from \$75 per year and my social security \$75 per year. Then came along a property tax raise, sales tax increase, hunting license, and postage increases, taking it all away from me.

Some money-hungry politician will no doubt draw up a bill for being born. Anything within the law of greed could happen; the law of God is a forgotten phrase. What tax money you don't spend on wine and dining, you give to foreign nations. Let them support themselves.

Cut off the surplus tax, excise tax and income tax. Increase the tariff on foreign goods. Get your money out of the hands of the boss. Bring our boys home out of jungle-infested swamps of the East. Give them the right to work and cut it up into apartments for the aged and under-20s.

"Talk Lays nothing. Purchasing power is what we need. Give the productive class \$1000 more per year. The tax on the sale of work. You take the people on it? How did they get their jobs? What are all the working hours?

These are just a few questions I've heard people ask. I've heard all sorts of answers, but none alike. To me and many others it is a big tax burden with little representation in Granite City.

TAXES WASTED; SHOULD BE USED BY CONSUMERS

To the Editor:

I see what is being done by politicians to my country, which I prize above any nation in the world.

You take my money and raise your salaries from \$1500 to \$15,000 per year. In some offices you spend from \$100 to \$20,000 a year on Christmas, birthday and various types of cards at my and my buddies' expense.

Welfare Of Pontoon Beach Residents Directly Affected By Village Incorporation Vote

Welfare of Pontoon Beach residents is directly at stake in the special election to be held next Saturday. It will be decided whether a proposal is decided on the basis of full public understanding.

This is why the Press-Record has tried to bring to light all aspects, all potential ramifications, in advance of the voting. Some information on the prospects of a new village has been favorable; some has been unfavorable. All pertinent data merits serious study and thought by the voters, for should the vote be cast to incorporate the current population but future generations will.

A point which should not be lost sight of is the actual question to be decided—whether to create a village or whether to remain unincorporated. A vote to incorporate would result in a tax result, if incorporation fails. Neighborhoods much closer to the city limits, even some virtually surrounded, have remained free of city jurisdiction for years.

Any point is that the village would have full taxing, licensing and regulating authority, just like any other incorporated municipality. Plans for payless officials and employees might work for awhile, but it is far from certain that such a scheme would be permanent. It is unrealistic to expect that a new village would be anything less than what the village provides—an agency exercising full village powers.

A third point is that if Granite City and Pontoon Beach votes are to be compared, the village could not help but provide fewer services and collect higher taxes until it developed a broad assessment base, including industry. Homes alone do not pay their way; when there is residential growth, assessed valuation does not climb as fast as the cost of extending municipal services to the new homes.

Industry perhaps is not even desired at Pontoon Beach, which is not a particularly logical site for it. Unless a village is created, there is no urgent need for the valuation and taxes that would result from establishing manufacturing plants immediately adjacent to Pontoon Beach; but if incorporation takes place, the problem will arise.

No local residents that if incorporated by a \$4 or higher tax rate on \$100 valuation. If a village is established, its taxpayers could hardly avoid at least a \$4 total rate and probably would find it much higher than that, despite vague arguments to the contrary. Industry, separate revenue sources and possible reductions in other taxes paid by Pontoon families.

The heart of the matter is that there is little real chance of a successful village operation, with each \$50 spent adds a full penny to the tax rate, and each \$500 adds ten cents to the rate. If we lived in Pontoon Beach we would vote "No," but we do not live there and are not subject to the village tax. The choice will be made by the property owners who would pay the tax. For their sake, the incorporation decision should be one they can live with.

The U. S. government does not have an infinite supply of money, regardless of what some nations believe.

Patience is the art of solving problems by letting them alone.

Jaycees To Aid In Organizing New Scout Units

Allen Jessie, Unihavist director, Boy Scout Chairman, today announced that the local Granite City Junior Chamber of Commerce will supply manpower for the January "Together We Organize" program for organizing new units for 1933.

At Barnes 13, Jaycee president, has appointed Frank Art as project chairman for recruiting members of the Jaycees to help scouters of the Quad-Cities in reaching more boys in 1933.

A special series of training sessions has been set up for men Arbel is recruiting. It will be held on Dec. 12 and 14. Cooperation with organizing efforts has been a project encouraged by national Junior Chamber of Commerce officers for many years.

THE PASTOR PEAKS

REV. G. LEWIS KUJAWSKI
First Church of God

There is a story told about two men who were traveling through a big woods when they were approached by a bear. The first man quickly seized hold of a branch of a tree, and hid himself in the leaves. The second traveler, seeing no way of escape, threw himself upon the ground with his face in the dust, and lay absolutely still.

The bear then came up and put his nose close to the man's ear and sniffed and sniffed. At last, he turned and went on his way, leaving the first man left, for bears will not touch dead meat.

When the way was clear, the man in the tree came down and said laughingly to his comrade, "What was it that Master Bruin sniffed in your ear?" The other man replied, "He told me never to trust a friend who asserts you in time of need."

Choose Friends Wisely
This story is told to choose our friends wisely. It would infer that those who seem to be our friends cannot be trusted indeed until they are willing to go with us through the valley as well as on the mountain top.

True friendship is a beautiful thing, and is beyond price. There is one who sought each of us to be our friend, when we were untriedly—Jesus Christ. He loved even those who mistreated him and put him to death. He loved when that love was not returned.

He loved, not for what good we could do for him, but simply out of a Godly, compassionate heart. Even though we have gone astray, He loves us and is waiting for us to come to Him. He will receive unto Himself anyone who will come to Him; but the choice is yours, not His. He does not force His love on anyone.

Vote Of God
Perhaps you have ignored the voice of God in your life; yet Jesus is still interested in you, waiting for you to come to Him. That is the reason for His words in Matthew 11:28-29: "Come unto Me, and I will give you rest. Take My yoke upon you, and learn of Me; for I am meek and lowly in heart; and ye shall find rest unto your souls."

Ask God at this moment, right where you are, to cleanse your soul and to make of you a new creature, not for His love on anyone.

Protect Sick, Wounded
The ICRC is the guardian of the Geneva Conventions, which protect the principles of neutrality and protect from unnecessary suffering a sick and wounded prisoners and civilian populations in occupied countries.

At the request of the United Nations, an ICRC delegate visited New Guinea and helped arrange for the release and repatriation of Indonesian held by the Netherlands government.

Red Cross, an ICRC delegate found and located in Central Viet Nam 20 Chinese fishermen whose ship had been wrecked in the Tonkin Gulf. The delegate obtained a release and turned it over to the ship's crew and their families.

An ICRC delegate visited penal institutions in Yugoslavia to talk with political prisoners and to ascertain the conditions of their imprisonment.

In Hungary, three ICRC representatives investigated 108 new cases of victims of pseudo-medical experiments carried out by the Nazis in concentration camps during world war II.

Typical Agent
What kind of a man is an ICRC delegate? Andre Durand, who has been one for 20 years, is considered a good example of these Swiss who work untiringly for the release of prisoners to practice the world over.

Since 1951, Durand has served in Hong Kong, Viet Nam, Indonesia, Ceylon, Thailand, Japan and Laos. These missions have ranged from negotiations leading to the release of five Americans held prisoner in Laos to supervising the voluntary repatriation of North Koreans to their homeland from Japan.

Durand carried out all these assignments after recovering from severe wounds received while on duty with the ICRC in Palestine during the 1948 Arab-Israeli conflict. These wounds cost him the loss of an arm.

Many ICRC representatives have lost their lives in service, the most recent being Georges Olivet, who was killed last December in the Congo while attempting to evacuate civilians.

Sabot, The Tailor, To Close Shop Here: Striving For \$500,000 In Bond Sales

"Happy is the man that fear-
eth always."

This Jewish temple engraving is printed in four languages on a special hat worn frequently by Harry Sabot, known to many throughout the Quad-Cities as "Sabot the Tailor."

At the end of the year, Sabot's little tailor shop at 1308 1/2 Ninth street will close. But the 55-year-old proprietor has no intention of retiring.

Sabot is going to sell U. S. savings bonds—a half-million dollar's worth of them. This is the goal he has set for himself, and he is determined to reach it.

Selling savings bonds is nothing new to Sabot. During the second world war his bonds and stamps sales totaled more than \$1,500,000. He feels this is not enough, and is driving toward the \$2-million mark.

Sabot has brought out the old top hat and gaudy suit he made to wear while selling bonds. The slogan on the hat—printed in Hebrew, French, Japanese and English—is a guide by which Sabot lives.

Embellished Costume

In addition to the hat, the costume consists of a patch-work coat and matching pants. Both are made of squares of different materials in the manner of an old-fashioned quilt. The coat is bedecked with bits of fur, embroidered insignias and "Buy Bonds" emblems.

Sabot admits it is a comical outfit. He intends it to be. It attracts attention—makes people ask questions. This opens the way for Sabot to sell more bonds.

"A week after Pearl Harbor was attacked," Sabot says, "I took on myself the task of doing something for my government."

A few days later, he began to sell savings stamps. He was a successful salesman and some of his customers began to ask for bonds. Sabot honored their requests. Among relics collected during the time is a receipt from the Granite City postmaster for over \$14,000 in savings bonds and stamps he bought on a single day in 1942.

Pinned on the wall of Sabot's crowded tailor shop is a red, white and blue plaque. It says:

"A gift for Hitler! My quota for 1944 is \$1,250,000 in War Bonds and Stamps. Buy Bonds."

During the war Sabot was employed at Friedman's men's store. As soon as the war ended he opened his tailor shop and began to serve customers who had been coming to him ever since.

"Closing my shop will not be easy," Sabot says. "My customers have been more than customers—they have been friends. They have treated me better than I have treated them. Many say they will come to see me at my home in St. Louis. I hope they will."

Sabot expects to remain active for many years. His mother lived to the age of 103, and his wife, Mrs. Sabot, hopes for 108. His rabbit once told him he can do it, and Sabot is happy over the prospects. "But it will be only by the goodness of God," he says humbly.

Missed President Kennedy
The little tailor explains, "I kept the Sabbath on Saturday the way I believe. I wanted to see the President when he was in St. Louis (recently), but he came on Saturday. I couldn't break the Sabbath, even if it would make me a millionaire."

Sabot resumed his bond sales last spring. He has sold more than 30 bonds this year, ranging in denomination from \$25 to \$500. He is determined this is the beginning of a successful new drive.

Earlier this month, Sabot wired Jacqueline Kennedy. He asked

GAY COSTUME WORN by Harry Sabot to attract attention to his savings bond campaigns has been brought out of storage. The Granite City tailor, who plans to close his shop here at the end of the year, will wear the suit again as he attempts to sell another half-million dollars worth of bonds.

her to help him organize clubs and organizations throughout the nation to assist in sale of bonds.

"I am ashamed to write you," Sabot wired. "I have done nothing for my country." He said he hoped she would help him in his efforts to contribute something to America.

In reply, Sabot received a short typewritten note from Letitia Baldrige, Mrs. Kennedy's social secretary.

"As much as Mrs. Kennedy would like to be of assistance to you in your project," Miss Baldrige wrote, "she receives so many requests from individuals and organizations throughout the country that it was necessary to restrict her participation to large national organizations, government-sponsored projects and some local Washington charities."

Wants Personal Meeting
Sabot did not give up. He is determined Mrs. Kennedy will hear his plea, and he is confident she will help him once he does. He said he will fly to Washington and see her personally.

His bond selling activities have given Sabot some of his richest moments.

He was arrested in Chicago once, selling \$10 savings stamps for \$9.50. Someone had stolen about \$2000 in savings stamps from the post office, and Sabot was suspected. When the police learned the truth, the precinct captain apologized warmly and bought a \$25 bond.

Three months ago, Sabot thought of a new gimmick. He set up shop at a busy St. Louis news stand with a large sign

3 Local Youths To Be Drafted Wednesday

Three Quad-City youths are to be inducted into the armed forces Wednesday at the county selective service office in Edwardsville. From there they will go to the St. Louis center for transportation to Fort Leonard Wood, Mo.

Also this month on Dec. 12, four local youths are to report to the county office for pre-induction physical examinations.

Cox To Preside Over Juvenile Board Meeting

Val Cox, former director of the Tri-Cities United Fund Community Services agency, will preside at the first winter meeting of the advisory board of the Institute for Juvenile Research in Chicago on Friday.

Cox, who lives in East St. Louis and is business representative for the Building Service Employees Union at East St. Louis, will take office at that time.

The institute is a division of the Illinois Department of Mental Health and was the first child guidance clinic established in America. It provides services on a statewide basis through clinics in 17 communities.

Marriage License Issued

A marriage license has been issued in St. Louis to Mrs. Gladys E. Grote and Thomas M. Bollhoff, both of Granite City.

Parents Of Second Son

Sgt. and Mrs. Charles H. Freiner stationed at Eglin Air Force Base in Florida, are parents of a son whom they have named Donald Lee. The baby, born Nov. 24 at the Base hospital, weighed six pounds, 11 ounces. He has a brother, Charles Howard Freiner Jr.

Mrs. Freiner is the former Ann Scott.

How your savings can help build your country's future as it builds your own

What are your plans for—say—8 or 10 years from now?

A new home? College for your children?

Plans like these have money... money that you'll have if you start buying U.S. Savings Bonds now. For every \$3 you invest—Series E Savings Bonds will pay you back \$4 when the bonds mature... even more if you hold them longer.

But your plans will take more than just money. You'll need the freedom to choose, to act, to decide for yourself. We Americans have these freedoms now. And when you buy U.S. Savings Bonds, you help your country preserve those freedoms.

You see, while your dollars are earning interest for you, Uncle Sam puts them to work to defend the cause of freedom. Your dollars help strengthen our economy here at home, and help our Nation stand up for freedom all over the world. And then they come back to you—with interest!

There probably isn't a better way to put your savings to work, to help build freedom for your future. Why not start today at your bank... or on The Payroll Savings where you work.

Keep freedom in your future with U.S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.

Nuts About Brazil Nuts!

Most people are nuts about chocolate chiffon pie... and even more nutty about this pie when it has a delectable Brazil nut crust. Despite its elegant appearance, the pie is simple to make. The fluffy filling requires no baking and the crust calls for only ground Brazil nuts and sugar. The dense, heavy nuts, the seeds of the hard pod shown above, grow in the Amazon Basin and arrive on our shores in quantity around holiday time. The nuts are sensational for out-of-hand nibbling, either whole or sliced and toasted. In addition, they go into a variety of festive pastries, appetizers, salads, and main dishes.

CHOCOLATE CHIFFON PIE

Brazil Nut Crust

1 cup ground Brazil nuts 2 tablespoons sugar

1 egg, separated 1 6-ounce package (1 cup) semi-sweet chocolate morsels

1 cup sugar, divided 1 teaspoon salt

1 cup milk 1 teaspoon vanilla

*Chiffon Filling

1 envelope unflavored gelatin 6 eggs, separated

1 6-ounce package (1 cup) semi-sweet chocolate morsels 1 cup milk

Mix together gelatin, 1/2 cup sugar and salt in top of double boiler. Stir in milk, egg yolks and semi-sweet chocolate morsels. Place over boiling water and cook, stirring constantly, until gelatin dissolves and chocolate is melted (about 5 minutes). Remove from heat; beat with rotary beater until chocolate is blended. Stir in vanilla. Chill until mixture mounds slightly when dropped from a spoon. Beat egg whites until stiff, but not dry. Gradually add remaining 1/2 cup sugar and beat until stiff. Fold into gelatin mixture; fold in whipped cream. Turn into Brazil nut crust; chill until firm. Garnish with additional whipped cream and finely chopped or sliced Brazil nuts.

Lincoln Place Wins First-Half Title in YMCA Soccer

Lincoln Place kicked its way to a first half Midget division title in the YMCA Soccer League Saturday at Coolidge junior high school, defeating the Twilight Optimists 3-1 in the final week-end of play.

Billy Fletcher scored twice for the winners, to bring his total of goals to 18 for the first half of play. Craig Nyers scored 12-15 other goal for Lincoln Place, while Billy Brown accounted for the Optimists' score.

Self Government

(Continued From Page 1.)

scribed as too limited, with such communities as Maryville and Glen Carbon cited as being more like the proposed village.

Assessing Local Lower

Hicks said tax rate comparisons are inaccurate because they do not take into account assessment levels. Estimating that their property is assessed at only 30% of value in contrast to 60% in Granite City, members of the group told the Press-Record that this is a major factor in influencing their support of the village plan.

The former Nameoki township clerk made a direct attack on the Press-Record and a representative of the newspaper, contending that articles have been unfair to the village proposal and to himself. As an example, he said descriptions of him failed to mention that he had declined to seek re-election as town clerk. One member of the audience suggested that the newspaper has been "paid off" to oppose incorporation and another said there have been many letters on incorporation which have not been published. A Press-Record staff member covering the meeting refuted the charges, pointing out that no such letters had been received. Letters which are received will be used, he added.

A spectator asked why the newspaper "suddenly has become interested in Pontoon Beach" and was told of extensive news articles relating to Pontoon Beach which have been published over a long period of years. Consensus of the gathering was that vested interests which favor Granite City and its city administration prompted a series of articles on the village election.

Feel Aidermen Ignore Public

Aldermen were condemned as ignoring the interests of their constituents, such as in their handling of the village election. Nameoki sewer program and in their failure to approve water purification despite a favorable vote by the people. "All-American! It stinks," one man commented.

Hicks said creation of a village would raise Pontoon Beach taxes, but took the position that the increase would not be large. Economical operation of the village Lake fire department and insurance construction of the fire hall and recreation building were also mentioned as village would use the county jail for prisoners and would meet temporarily in the recreation hall.

In the expert class, Rudy Hale of Edwardsville was aggregate champion, with Mrs. Mitzie Dreyer of St. Louis runner-up. Division first place (males) was Ed Rusick of Granite City. 45-caliber, Bob McDonald of St. Louis in center fire, and Harold Cox of Edwardsville in 22-caliber.

Keith Atkinson of Granite City was the sharpshooter grand aggregate winner, with Clifford Dreyer of St. Louis second. John Lindsey of the Belleville police was first in center fire, with Vernon Ebb of Edwardsville the top sharpshooter in 22-and 45-caliber.

Granite City policeman Gerald Peterson won the aggregate length of terms for officials. It was repeatedly stressed that all village residents, and not just the residents, and that all trust could be placed in the village president and the village council. The seven would have to be involved for the village to occur, it was pointed out.

Hicks, who had notified the Press-Record that the meeting was being called off at the last in a series of planning sessions. He met afterwards with the village council in securing passage of the proposal. Frank Terrell served as clerk for the meeting.

Seven Games in Park Basketball Leagues

Seven games are scheduled for the Tri-City basketball leagues sponsored by the Granite City park district.

Clubs to tonight at Coolidge junior high school will match Ernie & Annie's and Schiltz Bros. 7 o'clock. Pitsa Pitsa and Ragan Lumber at 8:15.

Top Girls' Bowlers

High rollers in the Granite City park district's bowling league for girls Saturday at Big Top Bowl were: North League 170, Mary Schuler 158 and Karen Broyles 150; South League—Betty Moser 129, Sheila Coggins 129 and Phyllis Williams 128.

Car Hauls, Avoids Child

Linda Lewis, five, of 1118 College street, Venice, ran in front of an auto at 4:15 p.m. Friday but the vehicle was able to stop in time. She fell down and sustained a cut on the lip. The motorist was Erwin Keunhoff, 1811 Spruce street.

Charged As Disorderly

Leroy Metzger, 28, of 65 Venice, Metzger, posted \$25 cash bond and was arrested in Granite City at 9:30 p.m. Saturday on a charge of disorderly conduct.

OUTSTANDING FOOTBALL PLAYERS for the 1962 season were named at Thursday night's athletic banquet at Granite City high school, and are shown with head coach Al Lewis. From left are Bob Pyle, outstanding back; Lewis, outstanding lineman, Denny Petroff, and most promising sophomore and winner of the Chris Marcovsky memorial sword, Larry Curry.

PONTON BEACH MEETING on the village incorporation election next Saturday is shown being addressed Saturday afternoon by William Potts, a member of the audience. The group cited advantages of the proposal and made plans to encourage "Yes" votes by the residents.

ite City frame plant has become an excellent source of supply to our single customer, Chevrolet. This has increased the long-term security and earnings of opportunity for every employee.

"Recent events leading to the present illegal walkout have endangered our position as a reliable supplier. I am sure that none of us wish to see the three-bedroom building, scene of several other vice raids in recent years, clearly understood. We have worked so hard to achieve lost through failure to operate within the framework of our labor contract.

"Because it is so important to all of us and to our families and to the others who depend upon us, I want to be sure that the facts concerning this walkout are clearly understood. With good understanding, the proper course of action may be clearer.

"On Friday, overtime work for the following Saturday was offered in accordance with our contract. The required number accepted and promised to work a 12-hour shift on both Saturday and Sunday.

While the raids at the End Of the Line and Park Motel failed, revocation of the county liquor license for the Tattle Tale Inn will be sought. Assistant State's Attorney Joseph Bartylak said he would present the evidence to the county liquor commission.

QC Man Tavern Licensee

He said the tavern license was in the name of the owner, but the property, a separate raiding party took into custody the motel owners, Wallace "Big" Ford, 42, his wife, Norma, 39, and two women who said they were waitresses. All were questioned at the sheriff's office and later released without charge.

The raiders — 25 troopers and two county deputies — gathered about 7 p.m. at the French Village state police headquarters. There they were briefed by Mudd, Toffant and Bartylak, and the search warrants for the End of the Line and Park Motel were handed out.

A fourth place was scheduled for a raid, but it was closed.

The raid was planned at the authorities' request of a meeting of hoodlums in the county and of plans for full-scale operations to take advantage of the changeover period in the sheriff's office.

Basketball Injury

Carl Jordan, 19, of 2105 Monroe street, St. Louis, was injured yesterday afternoon for a concussion and a broken nose while playing basketball. Ten stitches were required to close the cut, after which he was released.

Pleads Not Guilty

Robert Paschada, 34, of 3013 Maryville road, pleaded not guilty this morning to speeding when he was arrested in Granite City at 9:30 p.m. Saturday on a charge of disorderly conduct.

SICL To Meet Tuesday On Appeal Decision

A special meeting of the Southern Illinois Citizens League, which is fighting payment of St. Louis city earnings tax by Illinois residents, employed there, is to be held tomorrow evening.

The meeting is set for 8 p.m. in the Collinsville VFW Hall. The members, including over 450 from the Quad-Cities area, will be asked to decide if an appeal is to be taken to the U. S. Supreme Court. Missouri courts have denied the SICL petition for an order to halt the collection.

Announcement of the special meeting was made jointly by Jack McKinney of Belleville and Mrs. Vera Winterberg, 900 Twenty-fifth street, Granite City, who is corresponding secretary.

Guests included: Mrs. Ann Frintzko, Nettie Dezan, Caroline Sandor, Josephine Kuehler, Nellie Dezan, Mary Blankenship, Mary Kuehler, Mary Butcherich and a guest, Mrs. Ray Syniski. The club will meet in two weeks at the home of Mrs. Ann Frintzko.

RETURN FROM TOUR

Mr. and Mrs. Walter Bishop, 3853 Lake street, returned Saturday after touring Illinois, Kentucky, Tennessee, Mississippi, Arkansas and Missouri.

While on their trip, they attended a birthday dinner for Mrs. Gary Wilkerson, at the home of Mr. and Mrs. A. J. McClard at Jackson, Mo.

Granite Cityman Serves Jail Term In St. Louis

George A. Coolidge, 58, of the 2100 block of State street, is serving a 30-day sentence in the St. Louis workhouse. He pleaded guilty to producing obscene literature and was sentenced by Judge Manis Rosenthal in city court.

Coolidge was arrested after firemen discovered a large quantity of photos in an apartment studio he owned in St. Louis. A minor fire occurred in an adjoining apartment and firemen were making a routine check of the building.

Coolidge, an amateur photographer, denied distributing any of the photos which included about 2500 color slides and 100 black and white prints.

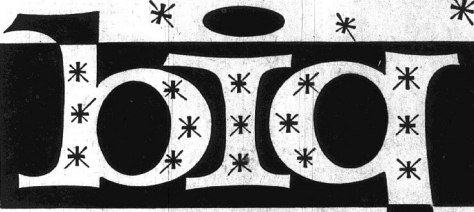

B. E. Moody Recovering

B. E. Moody of the Moody Sales Co. returned to his home near Glen Carbon Friday from St. Joseph Hospital, Highland, where he was a patient the past week while undergoing treatment for a kidney infection.

Two-Auto Collision

Involved in a collision about 11:30 p.m. Friday at 22nd and Iowa streets were autos driven by Juanita Jones, 29, of 2844 Iowa, who was going north, and Robert Metz, 24, of 4121 Bruene avenue, who was traveling east. Police said no one was hurt.
